

Outreach for Nathan on TRW

Version 1

Context ; I created an outreach as short as possible to keep him in suspense throughout

SL: Nathan, what's your 'why' in business?

Remember why you started your TikTok page!

Most likely it was to:

- **Earn a substantial income and achieve financial security.**
- **Have the freedom of movement.**
- **Be your own boss.**

Upon analyzing your strategy...

I've discovered several methods for your business that will allow you to:

- **Unlock an additional income level.**
- **Free up more of your time.**
- **Focus on other tasks.**

To make your TikTok page, which provides personal finance advice for Canadians, even more profitable, I've attached some free value that you could integrate into your strategy!

Grab an oxygen tank because you might be left breathless by the potential you're about to discover!

Contact me, and I'll reveal the rest of the ideas!

Take care!
