South Mountain Dive Club is committed to growing the character of our athletes both in and out of the pool. We believe that the best athletes have a heart for the sport and work hard while developing the lifelong skills of sportsmanship, time management, goal setting and work ethic.

The Silver team group is focused on refining diving skills in all five categories of their J.O. list requirements for competition on the 1-meter and 3-meter springboards. This is a year-round team group that will receive team gear (suit, backpack, shirt, etc) as well as participate in the AAU competition season that typically runs January-July.

High school aged divers are encouraged to participate in their high school dive team as long as it does not interfere with their club training.

An AAU Membership is required for each diver. This is a \$14 yearly fee that runs from September-August that can be completed at <https://www.diveaau.org>.
