

[DNR cautions UP motorists to be on the lookout for moose](#) June 17, 2022

State of Michigan

... Over the past week, five bull moose have been struck and killed by vehicles along portions of M-95 and U.S Highways 141 and 41 ... The most recent DNR moose survey, conducted prior to the coronavirus pandemic in February 2019, estimated 509 moose in the western U.P. The next survey is planned for 2024...
