WARRIORS IS JUST AWESOME

GENERAL RULES

- Obviously, no tracing, copying or bases, or stealing people's art
- You must be 13-15+
- It's not first-come-serve
- If you don't have Discord, please tag me once posting your part on YouTube!
- No fake parts
- No lyrics
- Flipaclip or Kinemaster watermarks are fine
- This is for any animator of any level (beginner, experienced, or professional)
- Please include multiple parts you want to increase your chances (most wanted to least wanted)
- If you're collaborating with someone, let me or the co-host know so we can credit you both properly

MAP RULES

- This is a spoof and half-serious MAP, which means you can go as wild and silly as you want! (like this MAP for example: <https://youtu.be/pj7U7ACH5fI?si=IWvVdV7oSlmb6XUm>)
- It can be PMV AMV or both
- 2 parts per person
- This MAP focuses on sad/depressing plots or deaths in the Warriors book series, one specific plot/character death per person. Example: person A chose to make their part about Snowkit's death, which means Person B cannot make a part of that same character and will have to choose another.
- You can use your own designs, but if you use anyone else's please credit the person who made the designs you use
- This MAP doesn't have a deadline, so no need to rush and take your time! This is for fun
- WIP spamming is encouraged!
- The canvas size is always 1920x1080 for all parts
