Executive Reports

★ **President Lowery**

- Welcome to our new Senator Stone! We are so happy to have you here!
- I have been working with other Student Body Presidents across Virginia to fight for state legislation that would require public universities and community colleges to provide menstrual products at no cost to students. In order for me to officially be in support of this I wanted to give you guys some more details and vote to see if this is something we are interested in supporting overall.
 - *Vote on Support: Unanimous*
- I will be creating the Constitutional Review committee that will meet for 4, 30 minute sessions to review and revise the constitution, if you are interested please see me after the meeting so that I can collect your information. This is a great opportunity to get to know the constitution better and work on making revisions to better the SGA.
- On December 2nd, at our meeting each of you will be completing an SGA evaluation of the executive officers and SGA as a whole, along with initiative ideas for next semester!
- Reminder of our MANDATORY CHANGE social this Thursday in Lankford at 5:30pm. There will be a hot chocolate bar and lots of time to get to know each other so we can better the Longwood Community together!
- If you are no longer interested in being a part of SGA next semester, or are going to be completing an internship/student teaching and can no longer commit your time, please send me a message on GroupMe!
- The Grand Illumination of the Christmas Tree will be next Monday November 24th, at 5pm.
