Green Spaces Landscaping of Redmond, WA Awarded Best of Houzz 2026 Powered by Houzz Pro

Best of Houzz - Powered by Houzz Pro awards highlight innovation among home design and construction professionals

Redmond, King County, **February 10, 2026** – Green Spaces Landscaping of 7822 178th PI NE, Redmond, WA has won a “Best of Houzz Service” award on [Houzz®](#), the leading all-in-one software platform for construction and design. The **design to build landscaping company with over 12 years serving the Puget Sound area** was chosen by the millions of homeowners that comprise the Houzz community from among more than 3 million active home building, remodeling and design industry professionals.

Best of Houzz is awarded annually in four categories:

- Design: Honors professionals whose work was the most popular among the Houzz community.
- Customer Service: Honors professionals for their overall rating on Houzz and positive client reviews for projects completed in 2025.
- Innovator: Honors professionals who win Best of Houzz Service, manage their projects with Houzz Pro software and are [Houzz Pro Certified](#) to provide a best-in-class client experience.
- Photography: Honors architecture and interior design photographers whose images were most popular among the Houzz community.

“Best of Houzz 2026” badges appear on winners’ profiles as a sign of their commitment to excellence. These badges help the more than 70 million homeowners and home design enthusiasts on Houzz to identify popular and top-rated home professionals for their projects.

Green Spaces Landscaping – Design | Build | Sustainability

“The Best of Houzz awards are a symbol of trust for homeowners when they are choosing professionals for their projects,” said Liza Hausman, vice president of Industry Marketing for Houzz. “This year’s winners showcase outstanding creativity and service, with many embracing Houzz Pro software to support top-tier project execution. We’re honored to celebrate their success.”
