

WASHINGTON MIDDLE SCHOOL 6th Grade REGISTRATION INFORMATION

All students will be *automatically* enrolled in the following required classes:

- English 6
- Mathematics 6
- Physical Science 6
- History Geo 6
- P.E. - (half year/1 semester)
- Computers 6 (half year/1 semester)
- Band or Choir (full year)

STUDENTS WILL ONLY BE ALLOWED TO CHOOSE ELECTIVES

to fill the remainder of their daily schedule. In addition, students are asked to choose an alternative elective in case scheduling conflicts arise.

Remember to make thoughtful, careful choices when choosing electives! You will not be allowed to switch these electives until SEMESTER.

FULL YEAR REQUIRED ELECTIVES (You are required to take one or the other).

Band 6: A full year of band and music theory includes fundamentals in melody, harmony, and rhythm. Members will play a variety of music from classical to popular. Concert participation is required.

Chorus 6: Chorus members are taught basic vocal production, music history and theory. Students sing songs in a variety of styles ranging from classical to popular, including songs in foreign languages. Concert participation is required.

HALF YEAR REQUIRED ELECTIVE

Computers 6: The main focus in this class will be on learning keyboarding techniques (proper finger usage and body position) through hands-on touch typing, using the home-row touch method on the Qwerty keyboard as well as basic computer skills and knowledge. After learning keyboarding, we will be working in google suites doing activities using google slides, docs, and some sheets. Internet, social media, and online safety are a part of all computer classes.

WASHINGTON MIDDLE SCHOOL 6th Grade REGISTRATION INFORMATION

HALF YEAR ELECTIVE (You will end up with 2 half year electives)

Art 6: Students will learn the elements of art to improve their drawing, painting, and sculpture skills. This may include pencil, colored pencil, acrylic and watercolor paint, clay, and other materials. Students will also study the work of famous artists.

Elective PE: Students can choose to take another semester of P.E. class.

Study Hall: A class period to work on academics. This class is limited and you will have to qualify to get in it.

Family & Consumer Science: Family & Consumer Science teaches life skill topics that can be applied in their daily lives. Learning experience will provide students with a variety of skills to assist understanding themselves, roles at home, work and society.
