

Elementary Student Progress Reports: ELD Reporting

Elementary report cards use the **English Learner Progress Indicator (ELPI)** to report English learners' progress in two areas:

- **Receptive Language Skills:** Listening and reading
- **Expressive Language Skills:** Speaking and writing

Understanding ELPI Levels

For **ELPAC performance Levels 2 and 3**, the **Low (L)** and **High (H)** designations identify whether a student's performance falls in the lower or upper half of the level.

- **L = Lower half** of the performance level
- **H = Upper half** of the performance level

Expected ELPI (XELPI)

The **Expected ELPI (XELPI)** is **preloaded in PowerTeacher Pro** based on each student's most recent Summative ELPAC (2026) score.

👉 **Do not make changes** to the preloaded XELPI.

<u>Standard</u> ELPAC Summative OPL		Expected ELPI (XELPI)
Level 1 – Minimally Developed	➡	Level 2L – Somewhat Developed - Low
Level 2 – Somewhat Developed - Low	➡	Level 2H – Somewhat Developed - High
Level 2 – Somewhat Developed - High	➡	Level 3L – Moderately Developed - Low
Level 3 – Moderately Developed - Low	➡	Level 3H – Moderately Developed - High
Level 3 – Moderately Developed - High	➡	Level 4 – Well Developed
Level 4 – Well Developed	➡	Reclassified (RFEP)
<u>Alternate</u> ELPAC Summative OPL		Expected ELPI (XELPI)
Level 1 – Novice	➡	Level 2A – Intermediate
Level 2 – Intermediate	➡	Level 3A – FEP
Level 3 – FEP	➡	Reclassified (RFEP)

- **Students who have only taken the Initial ELPAC:** Their XELPI will display "NA." Teachers must still assign grades for Receptive and Expressive Language Skills.
- **Students who take the Alternate Summative ELPAC will have an "A" next to their XELPI to indicate that they took an alternate assessment.**

Important Reminders for Assigning ELD Grades

- **The goal is for students to make one level of ELPI growth per year.**
- **Use the ELPI to evaluate current performance.** ELPAC scores can help inform your evaluation, but do not copy them directly into report cards.
- **Use a body of evidence.** Consider multiple sources of information rather than relying on a single writing sample, observation, or reading score.
- **Explain the L and H designations to parents.** These designations are not included in the report card legend.
