

2024-25

Jewish Student Union

JSU is a club for all students at Minnetonka to learn more about Jewish culture. We engage in meaningful conversations about universal concepts through a Jewish lens. Club members are encouraged to ask questions about anything they are interested in. This club is also a place for students to be a part of a Jewish community within the school without religion being a major factor.

SCHEDULE Bi-weekly on Monday from 2:45 - 3:30 (unless it is a Jewish holiday)
