

yeah pretty much the title
if you need to contact me type something here
please dont delete anything that would not be cool

hey this is putin
so my hackers accidentally completely prevented your computer from
running discord
they were supposed to just erase our message history together
i told them to try to fix it but then they just accidentally
prevented my computer from running discord as well
how am i going to play jackbox with trump and kim jong un
if you see them can you share this doc with them so we can figure
something out
thx in advance bestie

-Vladdy Daddy (putin)

p.s. what do you think of my new nickname
is it good
too sexual?
cause i wasnt intending that
i was thinking of executing journalists who didnt use the nickname
god i hate journalists
oh wait
i mean
uh
putin out
