- a. **Serving** a.) Legislative writing power is open to any and all citizens as singles, groups, organisations, or business. To petition legislation citizens are required to add their identifying information to the bottom of their petitioned legislation. Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Abundance, plentifulness, and wealth allows any & all Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.

b. **Serving** b.) Solar Governance Institute Citizens and Inhabitants are required to establish what happens to their (businesses, bank accounts, and other Staying Busy Activities) during the time of their, Exits, Missing, Hidden, and / or Unresponsive to Solar Governance Institute or their team, Before starting, building, founding any & all, stay busy activities. As a single and as a team contingent on each other's presences and participation. Submitting their plan to Solar Governance Institute to be presented accessibly to any & all interacting with their Staying busy activity. With an obvious block of any request, claims, of [inheritance, responsibility, gifting, and / or sharing] of Solar Governance Institute citizens or inhabitants (prior / during / after) an Exits, Missing, Hiding, and / or Unresponsive situation. In circumstances of a businesses or other staying busy activities inability to continue and function, during and/or after Exits, Missing, Hidden and/or Unresponsive. Solar Governance Institute

Solar Governance Institute citizens or inhabitants personal and staying busy resources will be saved, stored, and banked (during and after) Exits, Missing, Hidden, and / or Unresponsive situations. With Solar Governance Institute “public information bank” continuously accessible presenting to any & all.

Quantum.

2. Portion. 2.) **Forgiveness, Mercy, and Clemency**

Introduction Entry: Forgiveness, Mercy, and Clemency are normal, and basic reactions to mistakes that occur.

Quantum Definitions & Meanings.

- a. **Serving** a.) Solar Governance Institute's (culture, pedagogy, & doctrine) of (forgiveness, mercy, clemency, and amnesty). Clarifying the ignorance of punishment while denying and rejecting sacrifice and those who attempt unwitting assaults on others. Actively disassembling cycles of revenge and problematic behaviour. Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Abundance, plentifulness, and wealth allows any & all Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.

- b. **Serving** b.) Forgiveness, Mercy, Clemency, and Amnesty, are required to be and should be freely given by any & all Solar Governance Institute's administrations to any & all Solar Governance Institute Inhabitants &/or Citizens.

Quantum.

- c. **Serving** c.) Solar Governance Institute doesn't sponsor, support, or permit the killing or death of any Solar Governance Institute inhabitant &/or citizen. Any & All Solar Governance Institute administration, court, employees, or citizens who sponsor, support, or permit the killing or death of any Solar Governance Administration instantaneously loses their authority and position in Solar Governance Institute administration.

Quantum.

- d. **Serving** d.) Solar Governance Institute doesn't sponsor, support, or permit the killing or death of any & all Solar Governance Inhabitants &/or Citizens. Any & All Solar Governance Institute administration, court, employees, or citizens who sponsor, support, or permit the killing or death of any Solar Governance Institute Inhabitant &/or citizens instantaneously loses their authority and position in Solar Governance Institute.

Quantum.

- e. **Serving** e.) Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Any & All Solar Governance Institute endeavours are required to maintain this abundance, plentifulness, and wealth of resources throughout the endeavour with a recommended 3 times estimated materials for any endeavour.

Quantum.

- f. **Serving** f.) Any & All of the Solar Governance Institute's faculties & citizens will be required to function in abundance, plentifulness, and wealth with Solar Governance Institute's (culture, pedagogy, & doctrine) of (forgiveness, mercy, clemency, and amnesty).

Quantum.

g. **Serving f.)**

Quantum.

h. **Serving g.)**

Quantum

3.Portion. 3.) **Legislation**

Introduction Entry: Written documents to help citizens and inhabitants of Solar Governance Institute understand what the current Solar Governance Institute administration wants from citizens how they would to be in alignment with Solar Governance Institute constitution, citizens, and culture.

Quantum Definitions & Meanings.

- a. **Serving a.)** Legislative writing power, is open to any and all citizens as singles, groups, organisations, or business. To petition legislation citizens are required to add their name or names & identifying information to the bottom of their petitioned legislation. Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Abundance, plentifulness, and wealth allows any & all Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.]

b. **Serving b.)**

All members of any given group, organisation, or business are required to be citizens, to write or petition legislation.

Quantum.]

c. **Serving c.)**

All legislation is petitioned to the elected administration team. The elected administration team suggests edits or notifies refusal to legislation creators.

Quantum.]

d. **Serving d.)**

The power to accept suggested edits to a petitioned legislation is reserved by the legislation creator. The power to suggest edits to any petitioned legislation is held solely by the current elected administration team.

Quantum.]

e. **Serving e.)**

All legislation required to be responded to by all citizens before being accepted or rejected.

Quantum.]

f. **Serving f.)**

To maintain the privileges of citizenship any & all Solar Governance Institute citizens are required to make a choice on any & all proposed legislation.

Quantum.]

g. **Serving g.)**

Any & All legislation is required to have the supplementary options of "abjure" and "I don't comprehend".

Quantum.]

h. **Serving h.)**

The supplementary options of "abjure" and "I don't comprehend" are there to help citizens & administration communicate with each other. The supplementary option to abjure tries to communicate to citizens & administration that their right to, free will & to say no is and will always be protected. The supplementary option of I don't understand tries to communicate and that it is acceptable for citizens to not comprehend legislation & administration, and it is the onus of the administration & the legislation to be understood by the citizens.

Quantum.]

i. **Serving i.)**

Quantum.]

4. Portion. 4.) **Administration**

Introduction Entry: The free formation of a consciously, and consensually formed team that tries to administer services to Solar Governance Institute citizens for 3 years.

Quantum Definitions & Meanings.

a. **Serving a.)**

Any & All administration team holds positions, powers & privileges for 3 years. Every 3 years administration teams that want to be elected go through elections and/or choosing which are held in 3 parts, (team cultivation, team proposals, and voting). During the time of "**administration team cultivation**", a citizen, group, organisation, or business, is required to initiate an administration team with a name, not already used by an administration team currently or in the past.

Quantum.]

Any & All Administration Team Cultivation request are required to be sent to Solar Governance Institute that will send

b. **Serving b.)**

During the time of "**Administration Team Cultivation**" Communication with Potential Administration Teammates, is obviously any initiation of growing a team. Any & All official Team cultivation; requests, offers, substitutes, and/or

applications submissions are required to go through Solar Governance Institute either with public announcement or a standard public record depending on the wants of the senders. After delivering to the Solar Governance Institute, Solar Governance Institute would send official; requests, offers, substitutes, and/or application submissions, to the correct entities. As well as the response from the entities also either with public announcement or a standard public record depending on the wants of the responders.

Quantum.]

c. **Serving c.)**

During the time of "**administration team cultivation**", an administration team can substitute members of a team, and has the option to choose a team (founder, chief, leader, organiser...) which once elected has the power to remove elected administration from the administration team. Without a team (founder, chief, leader, organiser) removal of an elected admin requires unanimous vote and approval from the rest of the administration team. During the time of "**administration team proposals**", an administration team is set & stated. After voting, a singular administration team is elected as a team, and only those elected on the administration team hold administration responsibilities, positions, powers & privileges.

Quantum.]

d. **Serving d.)**

The elected administration has the only legislative power to reject or suggest edits to any legislation's creators, before voting, but the elected administration is required to explain the

reasons for either rejecting or suggesting edits to the legislation's creators.

Quantum.]

e. **Serving e.)**

After serving on an elected administration team citizens become "**Administration Alumnus**", which grant privileges including and limited to.

- i. Library Curation (Catalogues & Records of Documents, Events, of Administration Team)

In circumstances of a businesses or other staying busy activities inability to continue and function, during and/or after Exits, Missing, Hidden and/or Unresponsive. Solar Governance Institute

Solar Governance Institute citizens or inhabitants personal and staying busy resources will be saved, stored, and banked (during and after) Exits, Missing, Hidden, and / or Unresponsive situations. With Solar Governance Institute “public information bank” continuously accessible presenting to any & all.

Quantum.]

l. **Serving l.)**

Quantum.]

m.**Serving m.)**

14. Portion. 14.) **Free Faith (Spirituality, and Practices)**

Introduction Entry: Free Faith is the ability to have hope positive faith in or believe in a thought without 100% confidence or confirmation. Free Faith Organizations are organisations that organise people who have a similar faith, thesis, and/or theories. Religious Practices are actions people do regularly or "religiously" in order to grow, improve, or maintain their individual lives.

Quantum Definitions & Meanings.

a. **Serving a.)**

Any & All Solar Governance Institute faith organisations are free to organise, but are required to be recognized by the current Solar Governance Institute administration in hopes to benefit from Solar Governance Institute special support for faith organisations possibly including (Research or Thesis Groups, Philosophy Groups, or Churches...etc). Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Abundance, plentifulness, and wealth allows any & all Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.]

b. Serving b.)

Any & All religious practices are required to promote and improve the life of any & all involved and each individual practicing said religious practice. Any & All realigious practices are required to apply with whatever administration team supports or sponsors their realigious pratice. Any & All realigious practices are incomprisingly under survalince, because even planetary orbits aren't exactly consistent but more relatively similar to the previous rotation.

Quantum.]

c. Serving c.)

Many Faith Organizations, Religious Practices, and Spirituality centres around interpersonal relationships, mainly family, weddings, babies & children. Focusing on procreation of life and it's upkeep. Which seemed to grow into people's weddings in order to give birth to babies & children, and support babies & children, give stability to babies & children, and give shared resources required for an abundant, plentiful, and wealthy life. That could have been difficult to obtain as a singles. Thank\$ to Solar Governance Institutes, culture, pedagogy, doctrine, and base, of abundance, plentifulness, and wealth and the diversity of abundance, plentifulness, and wealth of its Solar Governance Institute citizens. Solar Governance Institute's citizens are able to solely & individually procreate life and support babies & children, give stability to babies & children, and give resources required for an abundant, plentiful, and wealthy life as singles. Making weddings a church and/or public

display of affection notifying others of they're commitment to an entity.

Quantum.]

d. **Serving b.)**

Quantum.]

15. Portion. 15.) **Free Public Information [Electors, Requests, Petitions]**

Introduction Entry: The building of systems that allow inhabitants & citizens to participate or be aware of the participation of Solar Governance Institute administration. Allowing citizens to vote, request, and petition for free, and allowing ("*Inhabitants Awareness*") in chosen legislative processes.

Quantum Definitions & Meanings.

a. **Serving a.)**

Any & All Solar Governance Institute is required to keep voting, requesting, petitioning, free for any & all Solar Governance Institute citizens. Allowing any & all requesting, voting, and petitioning results, accessible for any & all inhabitants & citizens through A ("*Inhabitants Awareness*") process.

Abundance, plentifulness, and wealth allows any & all Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.]

b. Serving b.)

Any & All Solar Governance Institute citizens are required to freely; comprehend, understand, and be educated on the Solar Governance Institute Constitution and God Given Rights before signifying and throughout their Solar Governance Institute citizenship.

Quantum.]

Public Information Bank

16. Portion. 16.) Free Comprehension, Understanding, and Education

Introduction Entry: Comprehension is the ability to be aware of a language, concepts, and or theory. Understanding is that it supports our affirmation. Consciousness has long mulled over the topic of discussion.

Quantum Definitions & Meanings.

a. Serving a.)

Any & All Solar Governance Institute citizens are required to freely; comprehend, understand, and be educated on the Solar Governance Institute Constitution and God Given Rights before signifying and throughout their Solar Governance Institute citizenship. Solar Governance Institute maintained, sustained, and progressed by abundance, plentifulness, and wealth. Solar Governance Institute's abundance, plentifulness, and wealth of resources allows its citizens and inhabitants to live, eat and thrive. Abundance, plentifulness, and wealth allows any & all

Solar Governance Institute citizens to be able to care for more than 3 times their required materials to live. In hopes that Solar Governance Institute citizens could care for themselves, and care for other citizens, and inhabitants if they want, enjoy, and choose to care.

Quantum.]

b. **Serving** b.)

Any & All Solar Governance Institute citizens should be able to comprehend and understand each other enough to successfully communicate their wants in ways preferred to all singles involved.

Solar Governance Institute, is required to choose and have official communication pathways which will be required to be used by any & all administration, legislation and communicating with their administration. Communication pathways can be added by election, but for communication pathways to be elected on each prospective communication pathway is required to have an extensive, uniform, and complete, dictionary.

Quantum.]

c. Serving c.)

Solar Governance Institute chooses to require a free; awareness, comprehension understanding, and education, because of our awareness of incompetent people using, (nature, electronic, and chemical) tools to, mind control, force, enslave, and clone, people in a problematic attempt to gain, voting numbers, forced labour, and learn or be accepted in their society. Their disability to freely, properly or comfortably communicate their feelings or wants to anyone. Which also makes them vulnerable to being manipulated and controlled. Caring for people with these disabilities is made easier by giving any & all entities free access to Solar Governance Institute (awareness, education, and learning materials) that could help them learn how to gain (free; awareness, comprehension, understanding, and education).

Quantum.]

d. Serving d.)

Solar Governance Institute, asks for entities to be (freely; aware, comprehend, understand, and educated) to cultivate Solar Governance Institute free and welcoming structure to any & all entities. While lowering barriers such as cash & resources by putting the responsibility of educating and clarifying on Solar Governance Institute, legislators, and administration, so is to allow comprehension while still defending inhabitants & citizens God Given Rights, guarding inhabitants & citizens from being forced [in and/or out] of participation and maintaining & supporting inhabitants God Given Rights, by requiring participation to be consensually & (freely; aware, comprehend,

understand, and educated) without cost or expense from learners. Building a cheerful, caring, enthusiastic, free, joyous, inhabitants & citizens of our Solar System able to, hide from, join, leave, rejoin Solar Governance Institute at any point for any reason without leaving a Solar Governance Institute Solar System.
