JOURNAL WRITING GUIDELINE

Journal Of Ageing And Family Journal of Ageing And Family receives original scientific papers (articles, reviews, case study reports, book reviews, or matters related to health science groups. The article has not been published or in the process of being submitted to be published in another journal or magazine.

PEER REVIEW ARTICLE

Articles that have been sent to the journal will be reviewed related to technical writing and substance of the article by at least 2 (two) reviewers.

ORIGINALITY AND PLAGIARISM

The author of the article should ensure that the submitted manuscript is his own work and plagiarism-free. All manuscripts to be published will be checked for similarity using antiplagiarism software.

1. Systematic Writing a. The initial part: title (maximum 20 words; 14 pt), author's name (without title), origin of institution, email, abstract (written in Indonesian and/or English. Abstracts are arranged with the number of words not exceeding 250 words using calibri typeface size 11 pt single space. On the abstract page are listed keywords (keywords) at least 3 words and a maximum of 9 words. b. Main part: contains introductions, literature studies and hypothesis development (if any), ways / methods of research, research results and discussions, and conclusions and suggestions. c. The end: thank you, symbol description (if any), and bibliography
2. Layout The manuscript is written on A4 paper in the following margin format: a. Upper margin 2.5 cm b. Lower margin of 2.0 cm c. Left Margin 2.5 cm d. Right Margin 2.0 cm Each manuscript is a maximum of 10 pages (including tables, figures, and reference lists) with a single spaced distance, Calibri type, size 11 pt.

b. Languages, Units, and Emblems The manuscript is written in raw, straightforward and clear Indonesian. The use of units and emblems refers to the rules of national standards and international units (SI). Equation Writing Equations or formulas are written using e-question software and numbered, for example:

$\Omega = 2 \pi r$ ..... (1)

The writing of equations in the text is expressed by Equation (1). Pictures and Tables Images and Tables are printed in black-and-white. Write pictures and tables like the example below. Figure 1. Image caption (bottom middle) and Table 1. Table description (in the top center). In the text written Picture. 1. And Table 1. 1. Reference List The reference list is written in the order of appointment on the manuscript using the Vancouver System (numbers in square brackets). References contain the initials and name of the author (anonym), journal name or book name, volume, editor, publisher, city, year, and page. Examples of Reference Lists:

1. **How to Send Manuscripts**
   Manuscripts are sent to the address: Editorial Board of Journal of Ageing And Family University Respati Indonesia (URINDO)
   Jl. Bambu Apus I No. 3 Cipayung, Jakarta Timur.

Email:joaf@urindo.ac.id;
lppm.publikasi@urindo.ac.id

Registration and Submission online:
http://ejournal.urindo.ac.id/index.php/JournalOfAgeingAndFamily
C.p: 085921689699

The author will receive a notification if the manuscript is received and will be contained in the journal in the form of a manuscript receipt certificate (acceptance letter). After obtaining the certificate, the author must make a payment of Rp 300,000.00 (internal Urindo) Rp 500,000,- (Outside Urindo) through BNI account: No. 1020519402.

Journal of Ageing And Elderly
Published 2 (two) times each year (April and October)

ARTICLE TITLE (no more than 20 words, using the letters Capital Each Word, 14 pt, bold, center), written in Indonesian Lead Author1, Co-Author 1, and Companion Writer 2(11pt) 1 position of the author at the first supporting institution (11pt) 2 positions of authors in the second supporting institution, if any (11pt) primary author email address (11pt)

Abstract

Keywords : *3-9 keywords in English (11 pt, italics)*

BackGround (11 pt, bold)

The paper is written with Calibri, size 11 and in document format sized A4 (210mm x 297mm) with a top margin of 2.5 cm, bottom: 2cm, left 2.5 cm and right:2 cm, flat right - left. The contents of the document, including tables, graphs, images should not be more than 10 pages. The title should be short, informative and no more than 20 words. The article is made into two columns. This segment contains background on why the research was conducted, the formulation of problems, literature reviews and information related to writing. The part of the introduction is the background, problem formulation, research objectives and research benefits.

METHOD

Contains research design, description of ways of conducting research covering population and sample, Instruments and ways of data collection, data analysis techniques. The results present the characteristics of the data and the findings of the study.

Result

The results of the study contain a brief statement about the results of the study. While the discussion contains discussions that link and compare the results of research with theories and results of previous research.

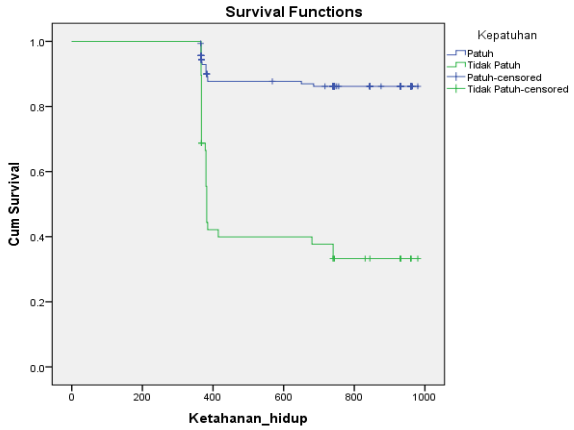

QUOTE: Writing a quote by mentioning the source is by writing the author's final name accompanied by the year of publication of the book. Quotes can be done in a direct way, summarizing.

TABLE: Table title is written in size 11, bold. Like the example below. Numbering table names using Arabic numbers. Between the table title and the table is not spaced. The contents of the table are written in Calibri size 11, and with a format of 1 space. While the Title of The Image is placed under the image with a format such as the title of the table.

Tablel 2. Respondent Characteristic Analysis

	Healthy And Clean Behaviour	
RT	PHBS	Non PHBS
1	45	76
2	17	23
3	12	23
4	47	30
5	24	16
6	12	18
Total	157	186

CONCLUSION

Closing Segment included Conclusion for this research

ACKNOWLEDGEMENT (If There Any)

Contains recognition or gratitude to those who play and are involved in the implementation of research / writing articles (donors / sponsors), both materials and other facilities

REFERENCE (11 PT, BOLD)

All referenced articles are written in the Bibliography with the following provisions (Vancouver System): The distance of the space used is 1 space, the second row of each article begins jutting in with 6 taps. The distance between articles is 1 space. Order of Article Writing by number. The author's name is written without a title, starting from the last name (family name) written in full followed by the first name written the abbreviation and does not need to be sorted by Alphabetical. No need to sort the year of publication of the writing.

Use of the last 10 years of bibliography for references derived from books and last 5 years for journals. (written only in accordance with the citations listed in the publication manuscript only) Recommended using The Reference Management Tool such as Mendeley and others.
