"Few would disagree that the three-page ransom note is as important a piece of evidence as exists in this case. Anyone hoping to come up with a theory of who killed JonBenet Ramsey has to come to grips with the significance and meaning of this communication."

**For more info read this: [Bob Enyart Builds Parallel Government at ShadowGov.com](#)*

The **"Small Foreign Faction"** includes the following **"group of individuals"** who have been bound together for over twenty years: Master-mind [Pastor Bob Enyart](#) who wants to take over the country, his supporter Arapahoe County Sheriff's Arapahoe County Deputy and snuff-style horror novelist, [Gordon Carroll](#). Ex-US Marine, catamite friend and BEL Co-Host, [Doug McBurney](#), who also has a business called [Bound Inc](#), in addition to his YouTube accounts under [BoundInc](#) and [TheSuperPsychoKiller](#). Other long-time criminal offenders such as [Kenneth Tyler Scott](#) and countless unknown political assassins belong to ShadowGov. A more recent criminal co-conspirator includes [CRAZY BPD Lady](#), and founder of Colorado Missing Children's Foundation, [Kimberly Kay Bowman](#). The combination of these clinically-ill characteristics makes these ShadowGov men (and women) textbook cases as dangerous threats to society. According to Enyart, as of the late 1990's he has "Judges" stationed in 100 major cities nationwide ready for orders.

· **"Mr. Ramsey, Listen carefully! We are a group of individuals that represent a small foreign faction. We respect your business (sic) but not the country that it serves..."**

*["ShadowGov represents a **"small foreign faction"** of male political activists, a **"group of individuals"** within the US that want to radically change the policies of the country. Bob Enyart reportedly used work for Microsoft and McDonnell Douglas before he became a talk-show host, "Christian" pastor and "pro-life" activist. His group **"respects"** the computer industry, such as Access Graphics, giving them the ability to operate, manipulate and dominate anonymously online because they lack the respect for the laws of the country they are supposed to serve & defend as American born citizens. Bob attended Arizona State University, majoring in computer science, and worked as a technician for McDonnell Douglas, an industry competitor. But Bob also has a deep seeded envy and hatred for successful, honorable Christian men, like John Ramsey, Dr. Ron Paul or Dr. James Dobson of Focus on*

the Family for example, which is why he has devoted so much of his career to tearing them down. Of course, this is all done in hypocrisy as Enyart has vocalized to the public how he used to be addicted to hard-core pornography, he committed adultery and solicited prostitutes which led to the end of his first and second marriages. Enyart was also arrested of "cruelty towards a child" in 1994 for beating his girlfriend's son after two months of dating. The mother, Cheryl would marry Bob six days after being arrested for child-abuse, and Enyart was again charged with child-abuse weeks later.

Since ShadowGov despises the "godless" US government, they made a point to mention it in the ransom note due to the lack of **"respect"** for the failed Judicial System. They claim it has failed for not "Rightly Judging" criminal behavior by swiftly executing convicted adulterers, rapists, child-molesters and murderers as Bob (the adulterer & child abuser) preaches should be done according to God's Commands in the Bible. In the ShadowGov, even if one member (especially the leader, Bob Enyart) commits a crime, the entire group proudly takes the credit and will collaborate together to cover-up the conspiracy. When "anonymous" members write on behalf of the group, the language reflects several individuals who are involved as seen by the reference to "we" and "our" in the ransom letter.]

...At this time, we have your daughter in our possession (sic). She is safe and unharmed and if you want her to see 1997, **you must follow our instructions to the letter...**

[The group is known for using deliberate deception like misspellings or grammatical errors to throw people off with confusion and make the group look less intelligent. They are also pathological liars and well established "Christian" con-men, so nothing they say can be fully believed or trusted, especially the part about her being safe and unharmed. This line, "you must follow our instructions to the letter" - Perhaps this means follow the "letters" in the instructions at the end signed after Victory! S.B.T.C or other coded clues? Maybe other coded "letters" that have been revealed in the "Clue That Breaks The Case" on ShadowGov?]

...You will withdraw \$118,000 from your account. \$100,000 will be in \$100 bills and the remaining \$18,000 in \$20 bills. Make sure that you bring an adequate size attache to the bank...

[Perhaps the \$118,000 was overheard at their holiday party in conversation or could have been found out by a little research online? Interesting symbolic Bible verse: Psalm 118 is also the center chapter of the Bible. And the very center verse the Bible reads this passage in Psalm 118:8: **"It is better to trust in the Lord, Than to put confidence in man."**

Also, the number 8 is a symbol for an Infinite God - when you turn 8 sideways, it's the symbol for infinity. Pastor Bob frequently would teach about the significance of numbers in the Bible.

Even more revealing is Psalm 118:27 - **"And He has given us light; Bind the sacrifice with cords to the horns of the altar."** - *BIND the SACRIFICE with CORDS to the HORN of the ALTAR?]

...When you get home, you will put the money in a **brown paper bag.** I will call you between 8 and 10 am tomorrow to instruct you on delivery. **The delivery will be exhausting so I advise you to be rested.** If we monitor you getting the money early, we might call you early to arrange an earlier delivery of the money and hence an earlier [delivery] pickup of your daughter. **Any deviation of my instructions will result in the immediate execution of your daughter...**

[*Sensationalized words like "deviation" or "execution" are similar to the harsh, demanding violent language frequently

used by ShadowGov members to intimidate their victims into submission. Death threats are commonly given to get their way. On Bob Enyart Live he mentions the word "execution" twice when he did a show on the Clue That Breaks The Case. Also, note that a ["Large Brown Paper Bag"](#) was found as a clue to the case in the Jessica Ridgeway abduction and dismemberment in Oct 2012.]

...You will also be **denied her remains for proper burial. The two gentlemen watching over** your daughter do not particularly like you so I advise you not to **provoke** them...

[*ShadowGov has a dirty Sheriff's deputy in Arapahoe County, Gordon Carroll in leadership and all Denver Bible Cult leaders believe they are on a mission from God to "Rightly Judge" the sins of the world. Bob Enyart, Doug McBurney or Ken Scott could be any one of the **"two gentlemen"** mentioned in the ransom note. On record, ShadowGov does have an aggressive criminal history and sexually abhorrent past of soliciting prostitutes, being addicted to pornography, using women, getting multiple divorces and physically abusing children while pretending to "protect the right to life" of the innocent babies who have no other voice. Those who "provoke" them suffer the consequences. There is [no remorse](#) for their criminal violence on record or by their fruit. For decades, Bob Enyart has profited from other's pain while exploiting women and children, and destroying entire innocent families for his own self-seeking cause.

Also note that through Enyart's many phony pro-life rackets, hundreds of thousands of dollars are hustled from "Christian pro-life" supporters each year and those public donations are said to be used to ["provoke confrontation"](#) and "fight the enemy" which the leaders determine are a threat to America that needs to be eliminated. For nearly forty years since 1973, the radical anti-choice movement has served as domestic terrorists in their communities and hardened the hearts of a nation while their hypocritical cause to "protect life" continues to FAIL!]

...Speaking to anyone about your situation, such as Police, F.B.I., etc., will result in your daughter being **beheaded..**

[*ShadowGov is known for using very unusual, inflammatory terms when referring to the murder of innocent children such as "dismember" "slaughter" or "rip the arms & legs off" to generate an emotional response from the public. The word "beheaded" is well within their vocabulary, so it fits perfectly when writing the ransom note. They worship the bloody fetus, and recent ShadowGov "pro-life" recruits, ["Dead Eyes" Keith & Jennifer Mason of PersonhooUSA had this photo taken.](#) and posted publicly on Newsweek in June 2012 with a bloody headless fetus as the center-piece background. This may have been the photographers mistake, but the idolatrous symbolism is more than creepy.]

...If we catch you talking to a stray dog, **she dies.** If you alert bank authorities, **she dies.** If the money is in any way marked or tampered with, **she dies.** You will be scanned for electronic devices and if any are found, **she dies..**

[*ShadowGov is notorious for contradictions, repetition and threatening statements. They will always repeat phrases they are guilty of and invent wild details that are designed to distract from the truth in the case. This deceptive delusion has been successfully used as "Red Herrings" for decades. After all, those who fight so hard to "protect the lives of innocent children" would never dare harm an innocent child, right? Wrong - Dead Wrong! They are expert [Disinformationalists](#) and satanic scam artists who have mastered the skill in suppressing the Truth and deceiving the public with demonic doctrine based on history of carefully crafted lies. Again - on his ShadowGov page - Why did Bob Enyart leave out such huge critical portions of the ransom letter? Because those who know "pastor" Bob and the monster is really in real life, would know this is how his mentally-ill, morally debased and delusional criminal mind operates.]

[*LOU SMIT: "Take a real close look at that ransom note. That ransom note is full of violence. It tells exactly

what this person's going to do to JonBenet if everything doesn't go exactly right. Many references to death and dying. She'll be "beheaded." She'll "not see 1997." Her remains will "be denied you for her burial. All violent references to the death of JonBenet. The person who killed JonBenet had it in his mind that if anything went wrong, he was going to kill her, and he did. I believe it is a man and I say that for a couple of reasons: No. 1, this person did sexually assault JonBenet. She was sexually assaulted that night. She did bleed, which means that it was done before she died. She was brutally struck on the head, a very, very violent blow -- very coordinated in order to do that with one shot. I believe that -- and the garrote was very deeply embedded in JonBenet's neck. There is male foreign DNA. I think it suggests strongly that it was a man, but I will not rule out the probability that it could be a man and a woman or even two men."]

...You can try to deceive us, but be warned we are familiar with Law enforcement countermeasures and tactics...

*[*Makes sense since Gordon Carroll is the Sheriff's deputy who could have offered detailed tips on how to throw off the criminal investigation. He could point out what clues in the case they will look for, how to break and enter a home effectively or how to write bizarre ransom notes. This would also explain the access to a stun-gun and hi-tec boot footprint. Doug McBurney was also in the military and would have access to such equipment. Ken Scott was a self-appointed attorney and studied the law as he accumulated dozens of arrests, served multiple jail sentences and made countless court appearances. Ken is a career criminal and master at mocking the system. Deputy Gordon could also have familiar influence in the Boulder PD which would plan to intentionally contaminate the crime scene, focus intensely on unjustly investigating the Ramseys while ignorantly ignoring the facts in the case or failing to follow standard detective police protocol.]*

[*LOU SMIT: "I think that the stun gun is one of the best clues left behind by the killer, as far as a clue, not only into a possible way we can find him, because someone would probably have seen him with a stun gun, but it also may explain why JonBenet did not cry out when she was first abducted. There has been a lot of theories on the stun gun."]

...You stand a 99% chance of killing your daughter if you try to out smart us. Follow our instructions and you stand a 100% chance of getting her back. You and your family are under constant scrutiny as well as the authorities...

*[*ShadowGov leaders have a distorted grandiose self-made image of brilliance among the men who despise women and seek to control all aspects of life. These men neglect and abuse their own children, then project blame and shame of their guilt and internal inadequacies onto innocent victims, particularly wholesome, undeserving Christian families. Enyart has made a life-long, profitable career from speaking lies in criminal hypocrisy and using "God's Law" for a cover of self-appointed "Righteous Judgment" orchestrated and executed by his members. JonBenet was never meant to survive because the ransom note had so many unrealistic limitations that the parents could be blamed for not following the instructions to the letter. These religious terrorists generate their power by operating "anonymously" in the shadows while stalking their victims so no one can truly be identified or fully held accountable for the group's individual criminal actions.]*

...Don't try to grow a brain John... You are not the only fat cat around so don't think that killing will be difficult. Don't underestimate us John. Use that good, southern common sense of yours. It's up to you now John!...

*[*ShadowGov mafia always uses belittling terms against their targets to avoid the Truth and feed their ego. Terms like "idiot," "stupid & slow" or "paranoid & delusional" are frequently used to attack the character of their victims and to puff themselves up to feel superior and intelligent. Enyart shows particular envy and contempt for John Ramsey's*

successful computer business because Enyart is such royal FAILURE at everything he does in real life from work to relationships. At the very least, Bob Adolph Enyart is a Serial Relationship Killer with the mind-control ability of Manson who dictates commands and influences the destruction of families. Bob Enyart's "prolife" war is similar to Manson's race war of the 1960s. Baseless insults like "don't grow a brain" are given because Bob is enraged by those who work hard and succeed the honest way since it reflects his own worthless life.

The group also uses language like "bad cats" to refer to criminals, particularly when staging a vandalism attack against the home of the [Masons of PersonhoodUSA](#) and falsely accusing former friends, the Kekoas who became [whistle-blowers](#) and began exposing the group as Criminals & Frauds. Many individuals in the group at Denver Bible Cult have also conspired to make false reports of child abuse against the Kekoas, asking Social Services and the online public to re-open the case after it was closed and UNFOUNDED. Among various false accusations of mental illness, drug abuse, and neglect, Enyart's cult closed the alert by saying, "We wonder how children die" suggesting the parents are dangerous child-killers and the six "abused" children need to be "protected" by Pastor Bob Enyart and the Elders of Denver Bible Church.

*See also: [A synopsis of the Judi Chase story, a chilling expose that uncovers: a Satanic pedophile ring in Denver known as "The Fat Cats."](#) pass-through nannies, staged adoptions, illicit baby brokering, murder, "legal" kidnapping, drug dealing, institutional stonewalling and a massive cover-up.]

Victory! S.B.T.C."

[*As many Christians may know, it is through Christ's sacrifice on the cross that we have "Victory in Jesus" over death from our sins. The letters S.B.T.C. were reported to mean "Saved By The Cross" because the Ramseys profess to have faith in God and because word "Victory" precedes the initials S.B.T.C. It was also reported that John Mark Karr made references to himself saying, "I Shall Be The Conqueror" - we do know that he was a sexual pervert who probably liked to conquer children. But neither fit the nature of this crime.

***S.B.T.C = *Strangle Bind Torture Children* as a copy-cat of the BTK killer (Bind Torture Kill), since Bob was likely inspired by Dennis Rader. Bob also mentions specific strangeling methods similar to the JonBenet murder gathered from the book, 'Mind Hunter' by John Douglas (released Aug 1, 1996). What complete "Victory" for a monstrously contagious "Christian" underground network known as the ShadowGov to pull off the crime of the century while in plain sight, visible online, preaching up at the pulpit & protesting in public against the "child-killers"? ShadowGov has the perfect profile pretending to be devout "pro-life" followers of Jesus Christ fighting for the fundamental God-given right to life, declaring Personhood of the innocent unborn children all across the USA while perpetrating the very crazy crimes they claim to condemn.**

S.B.T.C - It seems likely those "letters" could also mean any one of the following variations of cruelty and child sacrifice: "Sin Bound Total Control" or darker references to "[Sadomasochism](#) w/ Babies Thank Christ..." - "Sacrifice Bind Tiny Children" - "[Self-Bondage](#) Toward Children" - "Submission Bondage Tie Cords" - "Satan's Blood The Champion" or something comparable to those-Take your pick, only the murderers know what the letters mean for sure. *See also the meaning of [BDSM](#) for clues - The "letters" definitely give some-kind of instructions leading to sexual violence and torture against children.

ShadowGov is a group of impulsive, egotistical women hating individuals professing to be "Pro-life Christians," but the truth should be known that they are really dangerous religious psychopath predators who have been operating this scam in secret for nearly two decades because they are above suspicion. The Ultimate "**Victory**" for them is getting away with sacrificing the life of an innocent female child in the midnight hour on the night of Christ, the Savior's birth, Dec 25th. This was also a political statement in protest of the Boulder Police department for letting abortionist, Dr. Warren Hern get away with "child-killing" at his clinic. Consider the extreme level of hypocrisy from the "pro-life" pastor, Bob Enyart's violent criminal history of harassment and "[Cruelty Towards a Child](#)" convictions

already on his record. And when you combine the long criminal history of the ShadowGov homicidal individuals who were already at odds with the system, this places them as key suspects right at the scene of the crime. **In the end, S.B.T.C = Shadowgov Breaks The Case!**
