

Day 9

Korimax, as HoH, and Jakey and qrstuv, as the two nominees, you are competing in the Power of Veto competition along with jewliagay, beastman2764, and FannyChmelar.

Power of Veto Competition - Jack and the Beanstalk

Welcome to your second Power of Veto competition. Today you will be playing Jack and the Beanstalk. In this competition, you will be giving out Jack's magical beans and growing plants.

All of the players in the competition will be given 4 magical beans. Each magical bean will grow one plant. You may not keep any of these magical beans. You will distribute these magical beans to your fellow Power of Veto competitors. You may give all of them to one person, or spread your beans out over several competitors.

You will also send how many plants you want to grow. You will do this blindly not knowing how many magical beans were given to you.

The person who grows the amount of plants that is closest to the amount of magical beans given to them without going over will win this Power of Veto competition.

In the event of a tie, the player with least magical beans given to them will win. You are allowed to discuss this competition with your competitors. Any players not in the Power of Veto competition must not interfere.

 Jayden Osborne: Eh Jakey is up he can go.

 scooter tooter: god knows i need this pov for not only my safety but ryans too

 Kori Green: I hope you understand your not nominated to go out, I FULLY expect you to stay.

 Kori Green: If Jakey is somehow removed I have the perfect backdoor to keep you in.

 wryan: oh well that's good to know

 wryan: a heads up before the ceremony woulda been nice :/

 Kori Green: Would you have felt any better knowing ahead of time?

 wryan: yes 100%

wryan: i mean i had the vibe anyway

wryan: is the reaasoning just bc we havent talked aa lot? bc i've tried :/

Kori Green: It was that a little bit, if I'm honest.

Kori Green: We talked but it didn't really feel like we were... talking you know?

wryan: yeah ik

wryan: i worked to keep you safe with the week 1 hoh so i thought you felt good with me but ah well

Kori Green: I mean it just kinda sounded vague to be honest. I wanna feel good about you but you haven't given me much to work with. :/

wryan: thats faair

Kori Green: I do think you will walk away fine from this though, and I do want to talk more if you are still open to it. I don't want this to mean more than it is.

wryan: i'm definitely open to talking more i really hope i can stick around

wryan: well since i'm nominated and we want to be more open with each other moving forward

wryan: i wanna let you know that a good amount of the house has been discussing how you received some advantage from the Deck of Cards

wryan: with some Attack/Defense challenge? idk it's probably just a rumor but thought i'd let you know

Kori Green: Do you mind if I ask who said something like that? That seems a bit out there. I did tell people that I searched Deck of Cards but that was one of the searches I took from someone else's pool they told me.

wryan: idk where it originated from because legit at least half the house has mentioned it

Kori Green: Thanks for the heads up Ryan.

Kori Green: I think I definitely trust you more after this.

wryan: hehe yay

wryan: i def should have mentioned it earlier but hindsight is 20/20 lol

Kori Green: Yeah... if you mentioned it earlier we'd have 2 different people on the block right now.

wryan: rip lol

wryan: i feel like i'm def on the block aat least partly because he knows i'm ahead of him in the holy grail search

Anthony Eats: ok quickly

Anthony Eats: I did NOT tell you this

Anthony Eats: kori told me one of you or dean is the renom

agus strider: Well fuck

agus strider: Thats odd

Anthony Eats: Basically you're the person who's apparently getting all the blame for the rumors going around

agus strider: What LOL

Anthony Eats: about him

Anthony Eats: and the advantage

agus strider: Thats weird ugh

agus strider: That is interesting bc icdidnt talk about it at all other than the alliance

agus strider: Plus i told.scott the deck of cards but not about kori

Anthony Eats: hm

agus strider: Phone is about to die ill tty soon

Anthony Eats: okok

Anthony Eats: i just wanted to let you know what i found out

agus strider: Ty i appreciate it

Anthony Eats: yw

Anthony Eats: oh my god i'm such a fucking snake

Anthony Eats: I sold out agus to korimax while telling agus that korimax is planning on backdooring him

Anthony Eats: BEGIN THE THROWING

Anthony Eats: I'm going to see if i can get kori to not backdoor you

agus strider: Oh bless ty

agus strider: I will talk to him in a bit when i get home do you have any advice

Anthony Eats: in the little amount of time i have lol

Anthony Eats: uh basically just try and talk about nomming dean

agus strider: Hmmm okay ill try. Ty!

Anthony Eats: OK HE'S BACKDOORING DEAN

Anthony Eats: I THINK

agus strider: Omg bless. Tysm for trying jsdjd

Anthony Eats: yw

Sam: god it's week 2 and already death flags are popping up for me

Sam: Like

Sam: Now I have an f2 with amelio, an alliance of Anthony/me/amelio/qrstuv an alliance of calin/pica/me/scott and I think I'll have an alliance of me/kori/matt/pica/anthony

Sam: I'm going to have trouble keeping my head straight

Sam: The only thing sad about all these alliances is that they're all all-male

Sam: so at this rate I'm pretty sure soon EMBB8 will be pretty saturated with testosterone.

MAYO BRIGADE

Sam: we should consider who to endorse or if we should just do an exchange

Kori Green: Who to endorse what do you mean?

Sam: who to throw our beans to

Anthony Eats: ohh

Sam: or you guys could also solo yolo

Kori Green: I mean it's just me and Beast right?

Kori Green: Or are you in it too Sam did I misread?

Matt Beastman: I'll look at the pov more closely once I'm home from work

Anthony Eats: julia is also in it

Matt Beastman: I didn't have too much time to read

Sam: nah I'm not in it just thinking about how to avoid

Sam: jakeyy escaping the noms since he's definitely gunning now

Anthony Eats: do you think scott/julia would be willing to keep noms the same?

Matt Beastman: Julia moreso than scott

Sam: It's really awkward that Pica from one group and Anthony from another are both in my third

Sam: anyway my coverage is up to $6+2 = 8/14$ other players

Sam: this is good things are going well

Sam: Kori has this independent streak

Sam: despite being in an alliance of 5

Sam: it's annoying

Sam: JOIN THE HIVE MIND

Sam: alliances should be a communist system where all resources are owned by the group

Sam: well anyway I'm going to be egotistical and say I'm pretty sure I'm going to win EMBB8 until one of my groups collapses

Sam: then I'll die! but not before then

Matt Beastman: Kool

Matt Beastman: Mayo brogade is active

Matt Beastman: I like them all

Matt Beastman: It's a good group

Matt Beastman: And if anything happens, kori is gonna be presented as the ring leader

Matt Beastman: So they will go after him first

Sam: Allied with: Matt-Scott-Anth-Pica-Wryan-Amelio-Kori-Calin

Friendly with: LHarney Jayden

Neutral: Dean, Julia, Emily

Hostile: Jakeyy

Sam: Things are looking up

wryan: okay i might be ont he bloock and all.... but yall dk how happy i aam to not have to do that fuckin endurance anymore fklahsdlfkhasd

Jayden Osborne: Okay nevermind I told Kori anyway and hopefully there can be a backdoor this week. I'm gonna push hard for it.

Jayden Osborne: He didn't seem super receptive lmfaa.

 jakey: don't rly understand how im inactive when im online actively talking to ppl constantly gjkgkj

 jakey: like sorry i don't have anything in common with boring straight white men who do nothing all day long

 jakey: its funny bc theyre the ones killing every convo with me while im struggling to keep it going

 jakey: also i fucking won a competition and how many have they won???

 jakey: like stay mad..

 agus strider: hi emily

 agus strider: whats ur favorite anime

 Emily (Hogsmeade Host): omg

 Emily (Hogsmeade Host): i-

 Emily (Hogsmeade Host): i dont-

 agus strider: thank god

 Emily: the best exchange I've ever had in my life

 Sam: well kori made a thing with me matt anthony and pica today

 Sam: So lord knows how long that's going to last

 Sam: Hopefully we got you covered then though

 agus strider: oh that's interesting

 agus strider: any tea?

 Sam: there's not really much tea except kori is on the hunt for

 Sam: Whoever started the card search thing

 agus strider: are there rumours going on about that

 agus strider: bc like I only told you guys and scott about it and I didn't throw any names

 agus strider: LOL

 Sam: LOL okay then

 Sam: yeah bc qrstuv told kori about it

 agus strider: oh mood

 Sam: if you made it up then that's funny because kori actually did search cards

Sam: So he's looking within who he swapped searches with

agus strider: like

agus strider: I told you guys in the alliance (and later scott)

agus strider: that if you searched in the cards you played a minigame and there were two rewards and they were both taken

agus strider: that much is true

agus strider: but it wasn't me that said kori had it

Sam: oh okay it was anthony then

Sam: Awks because anth is in the group with kori

agus strider: yeah mood

agus strider: sdkjffldkj

Sam: Well, I'll let you know if that group starts gunning for you so we can blow it up

Kori Green: Well it seems like I've made a 6-man alliance, took a bit of elbow grease hopefully everyone is being honest and feels good about this.

Kori Green: This'll either be one of my best moves in this game or one of my worst that leads to an early downfall... I guess we'll see in the coming weeks.

agus strider: sam is totally multing me

agus strider: but yknow what

agus strider: one step at a time

agus strider: so long as its not with Jakeyy, ryan or kori

agus strider: I'm ok with it

deandean: Fucking hell

deandean: Did I ever mention how much I hate week 2?

agus strider: yes

agus strider: did something happen

deandean: YES KORI FUCKING SAID

deandean: I'M ONE OF 2 PEOPLE HE'S THINKING OF PUTTING UP

agus strider: ljfdldgkkgdj

agus strider: that's annoying

deandean: I just told Kori if he noms me he best hopes he takes me out

Anthony Eats: nnnn I'm not starting these alliances

Anthony Eats: I'm in too many

Anthony Eats: I promise I'm not a massive snake!!!

LUKE HARNEY: So some really big things happened tonight, I find myself in 2 alliances, and two other people in those alliances are in the same position and we all trust each other

LUKE HARNEY: And are sticking together, the best part is agus and Kori, one of which has an advantage from the deck of cards, trust me completely and are each in an alliance with me

LUKE HARNEY: and no one suspects that I have the other advantage from the deck of cards, which is perfect

Matt Beastman: feels good

Matt Beastman: 2 alliances in one night

Matt Beastman: i feel more solid about the puzzle group than mayo

Matt Beastman: but nonetheless its good to have people on your side

Matt Beastman: the puzzle group was an idea that's been floating around since the first hoh was over. but never really came to fruition until tonight

Matt Beastman: and then kori kinda popped out of nowhere about making an alliance

Matt Beastman: and obviously i said yes

Matt Beastman: i like kori and the ppl in it

Matt Beastman: I'm a little weary about sam but i feel good about the others

Matt Beastman: and its great for me because kori is already getting hit with shit which allows me to stay out of the spotlight for now

Matt Beastman: I'm still impressed that kori took my 2 suggestions for noms tho

Matt Beastman: i'm a bit nervous tho

Matt Beastman: i think the og renom was dean

Matt Beastman: and now he has a secret person he would renom

Matt Beastman: and from me putting all of the stories together i believe it is agus

Matt Beastman: i haven't asked him who it is yet because it is still early

Matt Beastman: but i feel that's who it might be and i gotta do everything in my power to keep that from happening

Sam: The grail is a curse because if you become close and it becomes widely known

Sam: then people will check if you have it by nominating you

Sam: as seen on with Kori and QRS

Sam: Of course, it's better to be nominated and have the grail than be nominated and not have it

Sam: so perhaps it's worth going for anyway

julia rae: IM NOT NOMINATED AND IM IN POV YES MAAM

LUKE HARNEY: The advantage paranoia is taking affect, a lot of people are getting concerned with the deck of cards advantage, some still don't know there were 2 advantages at the deck of cards

LUKE HARNEY: and no one realizes I have one of them, and thank god I do, since I know the exact secret of the deck of cards I can sort through info to help figure out who has the other advantage and I'm not as paranoid due to this info, doesn't mean I can't drill some paranoia into other houseguests, so far things are looking real good for me and hopefully they will stay that way

Day 10

Anthony Eats: yo if jakey can go this week

Anthony Eats: that would be amazing for my game

Jayden Osborne: Okay my current strategy is to slowly build an anti-Team 2 alliance.

Jayden Osborne: I've been talking more and more with Kori and I think I'm making headway. But not confident enough that he'll backdoor someone this week.

Jayden Osborne: I think I can totally count on Scott & Jose.

Jayden Osborne: And I want to try to slowly build and build this up but just be very selective on who I talk to so it doesn't bite me in the ass.

julia rae: i'm finna win this pov

julia rae: but i probably shouldn't

julia rae: but just in case

julia rae: people are sexist so i'm automatically not threatening

julia rae: and i want to keep it that way

julia rae: but like i like winning

julia rae: i can be rly good at comps when i need to so i need everyone to underestimate me..

scooter tooter: all tea 1) idt ill even need pov cus i stay over both ryan and jakey lol

scooter tooter: 2) me n jose know sam is full of bullshit basically

scooter tooter: and 3) kori has literally ruined his entire hoh bc not a single person trusts him

scooter tooter: i will stay over jakey and ryan bc im more loved by like every1!

scooter tooter: over jakey ik i have ryan emily jose sam jayden and calins votes

scooter tooter: and over ryan i have julia emily jose sam calin jayden too probably

scooter tooter: sam is full of bullshit bc!! apparantly luke told him that tea to tell me bc im in pov but like

scooter tooter: he told us this ages ago so how is that even valid as an excuse

scooter tooter: especially when we all know hes the reason jakey is even up there

scooter tooter: and finally kori has ruined his hoh bc not a single person feels safe under him and every1 is paranoid af about him

scooter tooter: and it doesnt help that at least 5 ppl have told me that he has just ignored their msgs LNDDKNFG

scooter tooter: thats the T right there

scooter tooter: and i think at least rn im defo making jury if not i'm robbed JS

gayz only     

wryan: Kori just told me he doesn't want to win the veto so he doesnt have more blood on his hands

wryan: but he wouldnt mind if anyone else won and used

scooter tooter: ???

 scooter tooter: either way he gonna get blood on his hands lol

 julia rae: HVIUFDJKVFDN

 wryan: ikr i feel like he just blowing smoke up my ass

 julia rae: i think im going to get backdoored if i dont win

 julia rae: pov

 julia rae: im going to

 julia rae: kill myself

 julia rae: i need to win

 julia rae: and then hope scott doesnt go up

 julia rae: i dont think im the backdoor anymore

 wryan: smh idk why these flops submitted so early like how dumb

 wryan: guess i'm gonna have to lie about my beans aand go for the veto myself oop

 jakey: do you wanna win hfjd

 wryan: ya like i'd obvi want to win but i do agree w what you're saying

 jakey: djddjd thank you i don't wanna be the one to be like DONT TRy to WIN?!!

 jakey: but i'm just like can we consider it strategically fjdjd

 jakey: like ik it's risky and scary but i rlyyy don't think you'd go

 jakey: kori even said to me you def won't go over the person he's gonna nom

 jakey: and he said i have a worse chance but he thinks i'll still stay

 jakey: but then again it's kori's judgment

 wryan: in theory with the two alliances i'm in

 wryan: i def would have the votes aagainst luke or dean

 wryan: but can i trust the fan4? idk im trying to see

 wryan: i feel like since i started this game my strategy/gameplay has been completely opposite what i wanted it to be or the way i pledged i'd play in my app ugh

 wryan: ugh i'm mad at scott and julia for being dumb and submitting early and now im in this predicaament with jakey

wryan: like wtf i dont want to throw the veto

wryan: but i legit understand his points flksjf

qrstuv: Agu i need your perspective/opinion

agus strider: O sure whats up

qrstuv: i think it's likely that the noms change and i stay on the block

qrstuv: based on how the comp is playing out

agus strider: O that sucks

qrstuv: unless i try something shady

agus strider: Like?

qrstuv: but regardless of that

qrstuv: like lying about where i put my beans

agus strider: Ah okay

qrstuv: but with your perspective on the house do you think i could survive against Luke or Dean

qrstuv: (not confirmed they are the renom options but it seems like it will be one of them)

agus strider: Hmm i would think so

agus strider: Dean seems to have a good social with some of the outsiders but not so much with the more classical players if that makes sense

agus strider: I think lukes social game is mediocre

qrstuv: you think Anth and Sam would have my back 100% over those two right

agus strider: I would like to think so but i havent really spoken to them about votes this week tbh

agus strider: Im pretty sure they would tho

agus strider: Why do you think it might be those two?

qrstuv: i honestly don't know i was wondering the same. that's what others have told me

agus strider: Thats interesting

agus strider: Ive heard dean but thats about it

qrstuv: i think i'd be more worried against dean

agus strider: Idt anyone knows for certain

 agus strider: Yeah i think dean would be slightly harder

 agus strider: The good thing

 agus strider: Is that youre fairly close to scott (i assume off of sbbb anyways)

 agus strider: And the guy is good socially so he can help you

 qrstuv: yeah that's v true i'm p sure i'd have his vote

 qrstuv: and jaakey too assuming he's saved

 agus strider: Yeah thats good

 agus strider: Honestly ive been worried about being backdoored myself

 agus strider: If it has to happen i hope its not vs you

 qrstuv: omg that would be terrible

 qrstuv: is that just paranoia or do u have aa genuine reason to be concerned

 agus strider: Mostly paranoia since he hasnt replied that much to me

 qrstuv: mmm he's like that with everyone

 qrstuv: i think he wants someone that has betrayed him somehow

 qrstuv: like with some kind of info idk what

 agus strider: Mm how did dean and luke (or you/jakey for that.matter) betray him tho idk

 qrstuv: me and jakey didnt do anything to him lol

 qrstuv: idk if he even has a good rreason other than we havent talked much as others

 qrstuv: i think he found out about whatever it was after the nominations

 agus strider: I mean i thought no one rly.talked to him so i dont get what info could be the problem LOL

 qrstuv: maybe it had to do with ppl thinking he has an advantage

 agus strider: Oh

 agus strider: I thought that was in our alliance only.meaning someone leaked LOL

 qrstuv: 🙄

 agus strider: And wasnt it anthony the one who threw his name

 qrstuv: Scott actually thought he had an advantaage too

 qrstuv: i think Sam said he told someone

 agus strider: I told scott how the deck of.cards.location worked but i didnt say any names

qrstuv: let me quote it

qrstuv: I told one person so maybe they're more of a blabbermouth than I thought

agus strider: Oh mood

qrstuv: idk i'm mad confused by this week idk why im on the block lol

agus strider: Thats annoying

agus strider: Well i talked to him soon after he submitted the noms and he was like

agus strider: I nommed the two ppl that i think will stir things up the least

agus strider: But didnt say who

agus strider: So if something happened it has to be after noms lol

qrstuv: lolol he clearly doesnt know me

qrstuv: he has a big storm coming if i stay

agus strider: LOL

wryan: and so knowing that it was me that leaked to Kori..... idek if Dean or Luke is the bd target??

wryan: then again when i told Kori about it i was very vague

wryan: basicall saying that a lotta ppl in the house are assuming he has an adv and i didnt mention anyone directly..

wryan: hjkgjtf like fuck me. if i knew for sure Luke or Dean was the renom i'd feel a lot better about letting Jakey take veto

wryan: but bihhh if i end up nominated next to Agu or Anthony oor Sam??? the numbers in the votes i thoought i had evaporate

wryan: idk how things got so complex it felt so easy a couple days ago

jakey: scott and ryan are so selfish lmao

jakey: they were adamant/hesitant ab taking me off over ryan which like i get but also it took so long for them to even see if from my side

jakey: and it took me convincing julia to back me up and talk to scott ab it to finally get them to agree to give me veto

jakey: im not taking no chances i need the veto bih

wryan: so like

wryan: as much as i don't want to actively throw a pov when i'm on the block

 wryan: i admit that i feel a decent amount of confidence in certain numbers if i stay on the block next to someone other than Jakey (assumedly Luke or Dean?)

 wryan: i trust in the 4 numbers from Jake/Scott/Em/Julia for sure

 wryan: then i have Agustin/Anthony/Sam that I also feel i can trust. the only concern is that i'm not even 100% sure one of these 3 won't be sititing next to me

 wryan: and if that happens god literally the votes could go either way

 wryan: i also think Jayden really trusts me bc i was so quick to bond with him week 1 and promise my vote to him, and i think he would have my back

 wryan: but :/ this revolves arround a lot of assumptions and those always kill me

 wryan: i can't betray the gayz alliance and go for veto myself bc they wouldnt trust me and we'd most likely lose Jakeyy and that wouldnt be good

 wryan: sooo as much as the chances of me regretting this are high i think it's best to let Jakey take it?

 wryan: i have faith in my capabilities to rally votes & i think i've put in the work to build decent relationships up to this point

 wryan: with enough ppl

 wryan: i'm a big fan of believing that sitting on the block and surviving an eviction early on in a BB game can be a huge positive

 wryan: maybe not at the time, but eventually it will pay off. one hopes at least

 wryan: ugh i just know this isnt what i should be doing and it is probably seen as being weak from an outsider perspective

 wryan: ik i wanted to be cutthroat this game :/ but ig thats not me ugh

 wryan: ugh no i retract

 wryan: there is a lot of risk in this but

 wryan: the reward is high

 wryan: and if it works there's plenty more time for being cutthroat

 wryan: ok i'm jumping off

 wryan: hmm im wondering if i should tell Scott about the Backyard Stone thing

 wryan: i feel like there's more to receiving the advantage than just picking "i declare im the king" or w/e that option is

 wryan: and if there is something really good there i want to get it before the eviction

 wryan: but is he the type to keep it for himself if it's something really juicy?

wryan: i dont think he is

wryan: im not gonna fuck it

Sam: I don't know what the point is of socializing with someone after you've been nommed because it doesn't feel meaningful at all.

Sam: I'm talking to jakeyy and I appreciate his college life but it's not really impacting how I feel about him in this game.

Sam: Especially when LHarney told me he wanted me backdoored earlier.

Sam: And I don't think he's the type to lie, unless between the last time I played with him and now he's morphed into

Sam: LHeartless or something

scooter tooter: omg phewww i think luke is the backdoor target thank god jayden was there to bail the gays out LMAOOO at least i hope so!!

scooter tooter: i'm going to think positive altho like part of me wanted to be bd'd to give me an excuse to be messy but that chance is gone

scooter tooter: rest in peace

Kori Green: I'm honestly not sure how to measure my game at this point. I feel like I'm probably about to be a likely 3rd boot and I'm not sure how to avoid that I keep making simple mistakes that should be avoidable.

Kori Green: I don't know where the switch went wrong honestly. I wanted to be that player that subtly plugged things in people's ears and tried to stay UTR, instead I'm this player who's just Exploding out the gate for some reason. --

Kori Green: I'm just PRAYING to god I don't win POV, if that happened... I don't even wanna think about it.

Kori Green: It'd just give me WAY too much presence this week. (Well I mean it's already too much.) But winning POV... I can't imagine a scenario where I'm not nominated.

Kori Green: Couple that with people telling me I was a potential backdoor last week according to Anthony... which means as much as I want to, I might not be able to trust them like I hoped.

Kori Green: I guess I just don't feel secure even when I want to, and I'm sure half of my fears are probably real.

Kori Green: I dunno maybe I'm wrong and somehow I just blow over as invisible next week. (Unlikely)
