

AN EXECUTIVE ORDER OF THE DUKE STUDENT GOVERNMENT

Under the powers described in the DSG Constitution Section 3.6, the Executive Board has the power to “issue, by a two-thirds vote and with the approval of the President, executive orders as legislation when the Senate is not in session or during University vacations.”

Due to the language in Title III, Section 1.2 of the Spring 2025 Election By-Law that uses exclusive language to target DKU visiting students on running conditions, an executive order is being passed to include all students under the same requirements. The change is described below.

Previous

“Visiting students, including Duke Kunshan students, are eligible if they will be enrolled on the Durham campus the term of which they are seeking office and the entire term of the office for which they are running.”

Updated

“*All* students, including *visiting* Duke Kunshan students, are eligible if they will be enrolled on the Durham campus the term of which they are seeking office and the entire term of the office for which they are running.”

With 3/4 approval from the Executive Board, these changes have been **passed** and **go into effect immediately**.
