

Ms. Sanchez's 4th Grade

2020–2021 Distance Learning Back to School Information

Attendance: A daily check-in will be provided each morning. Student interaction on an assignment, or district forum such as Google Classroom, ThinkCentral (Math), or Wonders (ELA) is expected.

Appointments: I would like to start with a standing appointment day/time for each student once per week. This way you KNOW when you are going to get me to yourself.

Please e-mail me if you are not able to make your appointment.

Drop-in Hours: I will have a designated drop-in time each afternoon. This way if you have an unexpected question, or need to chat with me, you know that I will be there, live!

Assignments and Grading: It is easy to track our assignments via our Google Calendar! This calendar is viewable in YOUR student calendar as well as on our classroom web page.
