

I-S Board Notes May 2021

- The ISRA soccer teams started playing and a big Thank You goes out to Kristen Bertsch for helping to run the soccer program.
- The youth baseball and softball teams are playing and practicing now and should have games coming up.
- The Aquatic Center is planning to have group swimming lessons in June and we are having a pretty good sign up.
- Swim Team families are showing interest in the swim team and we hope to have plenty of kids to participate in June.
- We are attempting to hire a building supervisor for some late day and weekend shifts.
- We are also looking for a morning lifeguard to open early and stay until late mornings to help us with staffing.
- The Community Service day help from the high school is much appreciated and did some extra cleaning on May 5th.
- The classes continue to be a positive, with near capacity in therapy, aerobics and strong bones classes.
