

St. John Paul II, Super Bowl Squares 2024

49ers v. Chiefs.

How it works:

We have filled out 3 completed grids of squares. Make sure you look on the right board! Find your name; that is your square. Sorry for any misspellings!

Each square has two numbers. To win, the last digits of the score after each quarter need to match up with your numbers. Let's say your numbers are Chiefs 7 and 49ers 0. In this case, if the score after Quarter 1 is Chiefs 7, 49ers 0, you win that round. If the final score is Chiefs 27, 49ers 30, you win that round; etc.

(Chiefs are horizontal row; 49ers are vertical column.)

There will be winners after the first three quarters and final score. If you are a winner, you will be notified the week after the Super Bowl.

Prizes are as follows:

1st Quarter: \$25

2nd Quarter: \$50

3rd Quarter: \$25

Final Score: \$100

All money fundraised goes towards our youth programs. Thanks for your donation, and good luck!!
