## I am a Introvert

Introvert:

I am a introvert,as you can see  
I like it when it is quiet for me.  
I love to work alone,  
It helps me zone,  
And I am a introvert,  
As plain as can be.

Intuitive:

I love the big picture,  
I don't care about the extras.  
I notice every detail,but don't care,  
I like to learn by myself,  
I am a intuitive,  
And I see nothing personally.

Thinker:

I notice a flaw quickly,  
Then I notice more,  
When something is messy,  
I pick it up and close the door,  
I learn by myself,  
As I am a thinker.

Judger:

I take things responsibly,  
And treat them with respect,  
I make plans so often,  
Everything is counted on,-  
I am a judger,  
And that is that.
