Abstract
(Abstract should introduce the research objective(s), theoretical framework, methods, and findings. The abstract should be written maximally in 300 words, single-spaced, Times New Roman 12 pt.)

Keywords: 3 to 5 words

Introduction (Times New Roman, 12 pt)
It introduces the rationale, objectives, significance of the article, and covers recent and relevant previous studies (Times New Roman, 12 pt, single-spaced, and justified). Add a space between paragraphs and double spaces between headings.

Theoretical Framework (Times New Roman, 12 pt)
It explains the theories used as the basis for data analysis (Times New Roman, 12 pt, single-spaced, and justified). Add a space between paragraphs and double spaces between headings.
Sub heading one (should be written in Times New Roman, 12 pt, and single-spaced).
Sub-heading two (should be written in Times New Roman, 12 pt, single-spaced, and italic).

Method (Times New Roman, 12 pt)
It explains a research design, including methods of data collection, data processing, and data analysis (Times New Roman, 12 pt, single-spaced, and justified). Add a space between paragraphs and double spaces between headings.

Findings and Discussion (Times New Roman, 12 pt)

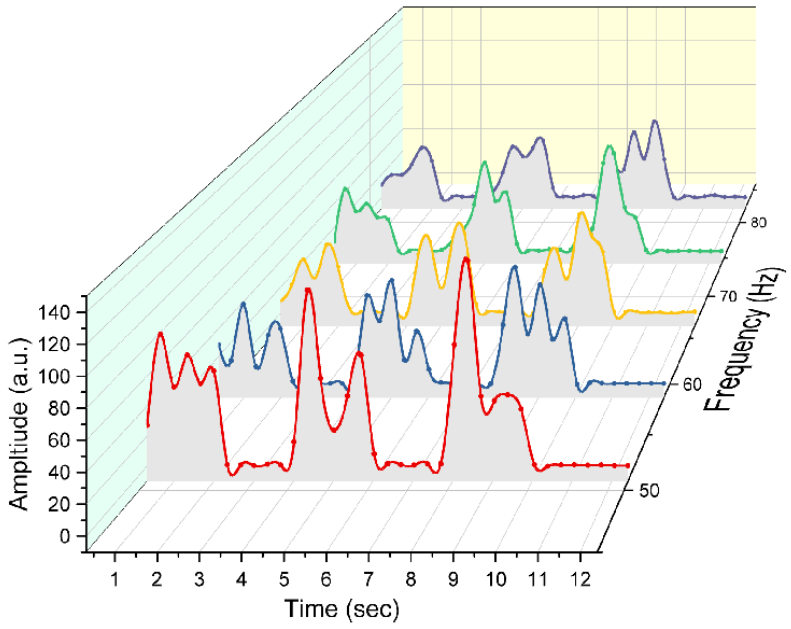

It contains the research findings discussed and interpreted clearly based on the theories and previous studies related to your research. The discussion can be divided into several sub-chapters without numbering. Figures, charts, and/or tables are centered and numbered consecutively (Times New Roman, 12 pt, single-spaced, and justified). Add a space between paragraphs and double spaces between headings.

The captions for tables, charts, and figures should be written as shown below.

Table 1 Correlation between Motivation in Writing and Writing Proficiency

		Motivation	Writing Proficiency
Motivation	Pearson Correlation	1	.052
	Sig. (2-tailed)		.707
	N	55	55
Writing Proficiency	Pearson Correlation	.052	1
	Sig. (2-tailed)	.707	
	N	55	55

Chart 2 Infant Mortality Rate vs National GNP and Literacy Rate

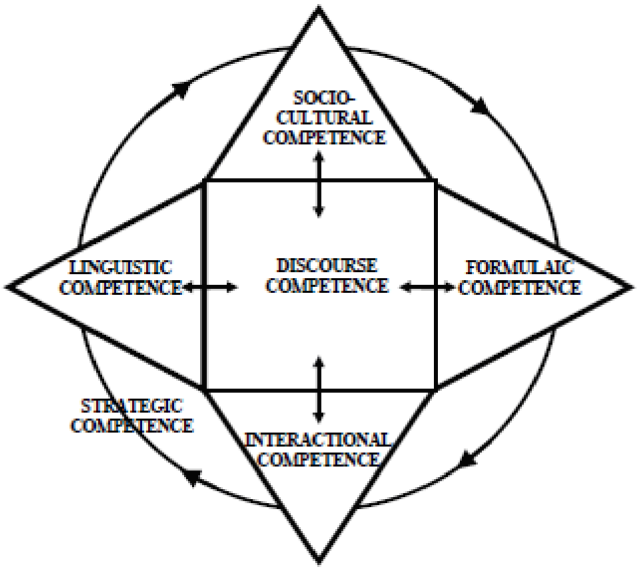

Figure 3 Revised schematic representation of 'communicative competence

Conclusion (Times New Roman, 12 pt)

It concludes the research findings and discussion briefly in paragraphs without numbering. It may include suggestions and implications of the study (Times New Roman, 12 pt, single-spaced, and justified). Add a space between paragraphs and double spaces between headings.

Acknowledgement (optional) (Times New Roman, 12 pt)

Acknowledge funding providers that have supported your research project financially.

References (Times New Roman, 12 pt)

All references, written in APA style (as attached) and published not more than 10 years, should have the minimum number of 15 references.
