What is PlusPortals?
ParentPlus, StudentPlus, and TeacherPlus are parts of the PlusPortals system. ParentPlus is designed for parents to access classroom information including progress reports, homework assignments, schedules, and report cards.

How do I get an account?
Account activation information is e-mailed to every parent/guardian of Belmont Public Schools' students. Your login is your full email address. If you do not have an account, or did not receive an e-mail, contact Eileen Buys (ebuys@belmontschools.net), please include your student's full name and the school they attend.

How does my student get an account?
StudentPlus account activation is e-mailed to all new students. The e-mail is sent to their school belmontschools.net account (in late August)

How do new students and parent/guardians get an account?
All new students & parent/guardians will receive an activation email once accounts are set up for the year.
- New students need to log into their new school email account to receive their activation email. Login credentials are located in the parent/guardian's PlusPortals under school > demographics
