At the AGM members asked us to run a club Grand Prix to encourage members to do events with their clubmates and to encourage a bit of competition within the club. The committee have selected 9 events (10 for women). They are listed below. Men and women will be scored separately

The scoring system will be 50 points for first club finisher, 45 for second, 40 for third, 39 for fourth, 38 for fifth, 37 for sixth and so on plus points for age group finish position in the whole race. If you finish 1st in your triathlon age group you get 40 - 1 = 39 points. If you finish 2nd in your age group you get 40 -2 = 38 points and so on. If you are 40th or below in age group you get 1 point. Triathlon age groups are in 5 year bands

For each member their 5 best scores from events will count

The events are as follows. Some get booked up well beforehand so don't leave it too late. (ow means open water swim, pool means pool swim)

9th April Decathlon Duathlon
30th April Horwich Triathlon (Epic Events) pool
28th May Rossendale Sprint Triathlon (Rossendale Tri Club) pool
