

2025 Virginia Community Colleges Association Showcase Awards

The VCCA Executive Committee is honored each year to host the Showcase Awards to recognize outstanding faculty and staff throughout the VCCS at the 23 Community Colleges, Shared Services, and the Systems Office. Realizing that several colleges in the VCCS are multi-campus institutions, it is important to give these colleges the opportunity to recognize outstanding faculty and staff from each of their campus locations.

The VCCA has provided suggested criteria below, but each VCCS agency (college, shared services, and systems office) has the right to determine the criteria and award selection process they use each year to select their faculty and staff members to be recognized as their Showcase Award winners at the annual conference.

Each college contact will submit their faculty and staff [Showcase Award Winner Names Here](#) *Please make sure all names are spelled correctly as this is how they're printed on the awards!
