

External Evidences of Scripture

1)Fulfilled prophecy

God demonstrates His Deity by "calling His shots"

Isaiah 44:7 NASBS

'Who is like Me? Let him proclaim and declare it; Yes, let him recount it to Me in order, From the time that I established the ancient nation. And let them declare to them the things that are coming And the events that are going to take place.'

In fact, Daniel 11:2-36 is so minute and accurate, so confirmed by history, that unbelieving critics have, without evidence, insisted that it was actually written 400 years later than Daniel, after it had happened which would make the prophet a deceiver (MacArthur Study Bible).

2)The Nation of Israel

There is nothing in history even close to an exiled people group for nearly two thousand years returning with their identity, language & religion intact. So just the existence of Israel alone is an incredible testimony to the truthfulness of scripture. The Bible has a lot to say about Israel 😊 and that's where Christ returns and reigns.

3)It Explains Reality

Sin & its consequences explain why we have death, toil, disease, conflict, murder, deception and various other unsolvable problems.

4)The Undeniable, Continual Influence of Jesus Christ

He split time. He is either worshiped or reviled (mention His name and watch the mood of a room change). His name is used as a swear word (and no other religious figure is: see Commandment #3). Every false religion deals with Him in some way (an angel, prophet, good teacher..).
