## Crowd Authoring Moderator Rules

### DO

1. **Start typing and have fun. You're writing a book!**
2. Add Comments in **RED** throughout the document if you see something needed.
3. Remember that a good book can change the world.
4. Add pictures, links and videos to make the book interactive, and educational
5. Chat with other authors, collaborate and work as a team to create the best possible book
6. PLEASE KEEP IT ORGANIZED
7. Keep it diverse, the book may cover all aspects of cannabis. Pick a niche (medical, recreational, industrial, economy, laws, health, spirituality, genetics and strains, etc.) and try to write for at least ten minutes.

### DO NOT

- 1) Do not plagiarise - the entire content of this book is run through plagiarism checkers such as [www.plagscan.com](http://www.plagscan.com) and [www.grammarly.com](http://www.grammarly.com) every day. Offending content is removed. Please make sure your content is original.
- 2) Do not use profanity, lewd or offensive language.
- 3) Do not destroy other people's work. Comment on it instead and collaborate..
- 4) Do not worry if your work looks pretty. Someone else will fix it if it doesn't

[EDIT MODE](#) ... [VIEWER MODE](#)

- 5) **Please do not open up multiple tabs of this document in your browser as it might prevent other people from being able to edit the document. There are limited Edit slot available.**  
**If you are not editing, please use [VIEWER MODE](#) (edit slots are limited) [EDIT MODE](#)**

The Cannabis Bible Project  
By: People Oftheworld  
crowdauthor@gmail.com

**Hello People of Earth.**

You are writing the world's only crowd authored mega-book on cannabis and it's many benefits.  
What it contains is up to the crowd and is somewhat of an experiment in collaborative writing.  
We look forward to cultivating the creativity, talent and passion of every contributor.

## Topics / Table of Contents

Botanical information

- Botanical description of Cannabis Sativa + Subspecies

- Follows human activity in nature just like e.g. nettles

Historical information (12.000 BC - 1870 CE)

- First mentioned 12.000 BC

- Mentioned in the Bible (kanabosm, in later versions translated in/disguised as calamus)

- Historical uses

- Holy plant in many religions and traditions (connected to the Goddess)

- The upcoming of Christianity with a stand-alone masculine God, adopting alcohol as a sacrament, crushing the Goddess-traditions

- The witch hunts in Europe, making people afraid to even mention magical plants

- Cannabis often suppressed/outlawed, always for religious/political or economical reasons (summary of events)

Recent history (1870-2018)

- (Check e.g. James H. Mills, Cannabis Britannica)

Technical uses

Medical uses

Spiritual uses (including everything from cave paintings to the development of the internet by stonies!)

(i'm not done yet just have to sleep now!)
