Objective

I.E. Obtain an internship with an engineering company to apply skills from engineering courses. Upon high school graduation I plan to attend a post-secondary institution to pursue a degree Mechanical Engineering to be applied in the field of engineering.

Education

Brighton High School, Brighton, Michigan (Graduation: Month and Year (I.E. June 2023))

GPA:

Honor Roll? Years

XYZ University (If know where you are going)

Enrollment Date XYZ

Planned Major: XYZ

Experience

Company, Location

Job Title, Dates of Employment

- Job Responsibilities (Avoid 1st Person words)

Extra-Curricular

Club or Sport

Position if one (i.e. President, Secretary, Captain, etc.), Dates Participated

- Awards/Positions

Skills

(For Example)

Engineering Software

PTC Creo

PTC Onshape

Autodesk Inventor Pro

Cura

Programming Languages

C++ Application with Arduino's

Ladder Logic Application with PLC's

Function Block

Animation/Graphics Software

List Those Software

Office Software

Excel

Awards

- Example: American Society of Body Engineers Foundation Student Design Competition 2021-2022: Honorable Mention
- Sports Awards
- School Awards
