

A-

Started out slow but overall really good ep

Best bad acts of any audition episode

Five Alive

Nothing special

Fun segment but it's a no from me

Argentinian dance company

I'm not as crazy about them as everyone else is--yet--but they're intriguing

Yes

Angelina Green

Not the least bit spectacular

Really disappointing golden buzzer from Heidi

No

The Quiddlers

The Taylor Williamson endorsement

Meh, too similar to other acts

No

Veronica

No

Brobots and Mandroids

Potentially cool

Aileen George

Not interesting

Harry St. Greenbam

His experience definitely does show but he didn't really make me laugh

No

iFly

I suspect she will have a similar fate as the water jetpack kid

One of those acts that looks more fun than impressive, although it is impressive

Yes

Jonathan Reiny

They didn't have Nick saying "Don't try this at home!"

I'm impressed but I think he's going to have to step it up a lot

Yes

Mike Yung

Very full and enjoyable voice

His face reminds me of Samira Wiley

Yes

Screen performer

Pretty good for an audition

Seems to utilize simple design sensibilities really effectively, it remains to be seen how he will compete

Daniel and Oscar

That kid is super cute
Quite unexpected
Really neat-looking
He looks like he's made of plastic the way he holds those shapes
I wasn't super thrilled the whole time but I'd give them a yes
Heartwarming
Mirror Image
It was hella silly but I liked it
They are sooooo full of energy, just a shot of caffeine to the whole show
Yes
Team India
Seems irresponsible and not well-done
No
Tony Baloney
Not the worst comedian we've seen
Breath Mint Bandit
One of the best weird acts in many seasons
Yes
Brandon Rogers
Very sad kind of moment we've never seen on AGT before
Not bad, such a happy guy
Judge Cuts 1
Chris Hardwick! Comedy cred
I haven't been too excited about much of the talent this season but a lot of the things in the next episode actually look really good
The twin magicians are one of the acts I'm the most excited to see again
I think a guy smashed a buzzer with a hammer? Really looking forward to that
