

## 7<sup>th</sup> grade Expressive Arts

### Scale and Proportion Unit

Students will Identify and describe scale (proportion) as applied to two-dimensional and three-dimensional works of art.

#### Scaled House

**Objective:** Students will apply a ratio to enlarge and build a model house.

#### Looney Tune

**Objective:** Students will make a scale drawing of an assigned Looney Tune character where every angle is enlarged by the same ratio or scale.

#### Chuck Close portrait

**Objective:** Students will enlarge an image using a grid (math correlation) and translate values into colors in the creation of a portrait (or image) in the style of Chuck Close.
