Center Grove Orchestra Council

The mission of the Center Grove Orchestra Council is to inspire, uplift, and connect through the transformative power of music. We aim to be a catalyst of creative enrichment for our musicians and beyond. We are a unique organization within the Center Grove school district, in that we serve the students at the high school and both middle schools.

Our Purpose

- Artistic Excellence: We are dedicated to achieving the highest standards of musicianship that Center Grove experience can provide for our students. We support these exceptional musicians by
    - Providing hospitality at all concerts
    - Planning and hosting special events
    - Offering scholarships for college and private lessons
    - Maintaining concert wardrobe
    - Providing subsidies
    - and so much more
- Musical Education and Outreach: We believe in the power of music to educate and inspire. We are committed to nurturing our musicians; to fostering love for this art through workshops, field trips, clinicians and other community and school collaborations.

The Orchestra Council is a registered 501(c)3 non-profit organization so all donations are fully tax deductible.
