- The exam will also cover all vocab sheets you were given (Aventura 1: 1A, 1B, 2A, 2B, 3A, 3B + los infinitivos). You can print new copies of these on www.conjuguemos.com; log-in and on the main page you see when you log in (“Student Zone”), click on the activity that has the words you need (for example “Aventura 1: 2B”) and then click on “Vocabulary Chart” (pink tab on the left side of activity).

- From the blog/tus apuntes de clase (*your notes from class*):
 1. [How to conjugate -AR verbs](#)
 2. [los infinitivos](#)
 3. [tener/estar](#)
 4. [la hora \(telling time\)](#)
 5. [countries and capitals of Central and South America and Mexico](#)
 6. [conjuguemos](#) quizzes: any from “student zone” (the first page you see when you log in).

- I will give you a **review packet** to be worked on in class and at home next week (week of Jan. 22-25). We will review it in class by the end of next week and the last day we will meet before the exam will be Monday, January 28 (this is an 8-period day).
- I suggest that you start organizing yourself this weekend! You could start by looking up in your textbook each of the pages that I listed above (the main grammar topics on the final) and making a simple chart for yourself (something similar to a K-W-L chart, if you're familiar with that) of what you **know** and what you **need to know**. You can use the chart below as a template if you'd like (scroll down).
