

SDG11: Sustainable Cities

11.4 Sustainable practices

11.4.6. Evaluate affordable housing

Description

The Vocational Education Program provides dormitories for students from outside the Jabodetabek region. The student dormitories, located on the Depok campus, consist of 1,255 rooms equipped with facilities that can be used by dormitory residents to support their activities. In addition to being equipped with comprehensive facilities, the student dormitories also have easy access, as it takes only 10-15 minutes by UI yellow bus from the dormitories to the UI campus.
