

Admin notes to ourselves in blue

- Started March 16, 2015.
 - The main purpose of this list is to make it easier to look up our speaking engagements when we report OSC activities to Martha, Eliz, Ardys, the Advisory Committee, LLT, Arcadia, and others. We break the list into fiscal years simply to support annual reporting.
 - Please fill in your events as you can, including links when you can.
 - Listing events prospectively is more important than listing events retroactively. If you list anything retroactively, we don't need details on events before the current fiscal year.
 - Short URL for this doc = <<http://goo.gl/cxOwmG>>.
 - Also see the [OSC log](#), and our similar lists of [events](#) and [longterm community outreach](#).
