Students are to place their Mighty Mustang tickets into the bin located across from the main office. A drawing is held each Friday to determine 6 Mighty Mustang ticket winners. Mustang ticket winners are allowed to choose from various coupon choices. The coupon choices change each trimester. When the Mighty Mustang ticket bin is filled, the school enjoys a reward. These rewards have varied from a no homework day to extra recess or a school wide gum day. The school has even enjoyed a Parking Lot Party with a DJ, bubbles, sidewalk chalk, and treats. Classrooms collect the large, red, all class tickets and place them outside their classroom door and are also recognized on the Friday afternoon announcements.
