

## **Elite Clubs National League Event Protocol - Media**

The Elite Clubs National League (ECNL) hosts competition events for youth soccer players and their families. As such, general media access to ECNL events is limited, and no working media may be on-site without approval from the ECNL as outlined below, for any reason.

In order to attend an ECNL event, any and all working media must register and request credentials and approval in advance from the ECNL media relations team. Credential requests must be filed 48 hours before the start of the event, and each request will be reviewed and approved or declined at the ECNL's sole discretion.

To request approval to be onsite, please send this form to [news@theecnل.com](mailto:news@theecnل.com).

Credentials will be issued to working media and must be displayed at all times while at the event site.
