 PARENTING TIPS 

 Assalamualaikum waRahmatullahi waBarakatuhu

Dear Mothers

 As a Muslim we must take lessons from the Quran and Hadith

 All humans are offspring of Adam and Eve.They were the first parents.But Shaytan said he will betray the children of Adam.

 We must remember that the enemy is with us and our children.This is a fact.

 Each of us are responsible for our children and will be questioned and held accountable.

 A Muslim mother is a very honorable position,3 times more important than the father.

 Just ordering and scolding is not enough.

 We need to create a healthy, happy environment of learning. "We need to save ourselves and our children from Hellfire " are the words of the Quran.

 Achievements and positions in this world are not enough. A proper mission and direction is to be given to the children.

👉 We need to gain their trust and this can be done by love and understanding.

🏀 1) The Prophet Muhammad SAW dealt with children with mercy, love and kindness.
We as Mothers need to provide the love and mercy.
Rigidity and harshness will turn them away from you.

⚽ 2) Do consultation with them. Ask their opinion.
Give them priority and importance.

👉 We have example of Ibrahim AS who used the help of his son Ismail AS to build the house of Allah.

🧶 Grooming the children with mutual love can be developed only when heavy responsibilities are shared by parents and children.

🌸 Allah SWT give us Tawfeeq to raise our children on the Right Path.
Ameen

Make earnest DUA to Allah , so He can soften our hearts and minds in order to make our home a healthy, loving home.

JazakumuAllahu khairan
