

First Grade Level Supply List

As you prepare for your child's exciting journey into First Grade, it is essential to ensure they have the necessary supplies for the first day of school. This list is designed to help classrooms run smoothly and provide your child with the tools they need to succeed. Please keep in mind that all items listed are brand-specific to ensure quality and durability.

Please review the general supply list. This supply list is for first grade. In August, your child's teacher will provide an additional supply list with specific items needed for their classroom.
