

## Career Mailing List

Many of our sponsors (and other companies) reach out to Storm to invite us over at super interesting workshops/thesis contests/receptions/and many more events. To be able to reach all of you, without the need of Facebook or Instagram, I am putting up a mailing list especially for career and network related content. You will receive a newsletter approximately once a month, with updates about different companies and organisations we work together with. **Please write down your e-mail below!**
