

Privacy Policy for Negai

Introduction

Welcome to the Negai app. Your privacy is critically important to us. This policy outlines the types of information we collect from you and how we use it. Please read it carefully to understand our practices regarding your personal information and how we will treat it.

Information Collection and Use

- **Personal Identification Information:** We may collect personal information such as your name, email address, and phone number when you register on our app. This information helps us to provide a personalized shopping experience.
- **Location Data:** We collect and process location data to offer location-based services, such as shipping to your address or showing you products available near you.
- **Usage Data:** Information on how you interact with our app (e.g., pages viewed, search queries, and purchase history) is collected to improve our services and offer you relevant products.
- **Cookies and Tracking Technologies:** We use cookies and similar tracking technologies to track activity on our service and hold certain information, enhancing your user experience by remembering your preferences and multiple visits.

How We Use Your Information

- To provide and maintain our service
- To notify you about changes to our service
- To allow you to participate in interactive features when you choose to do so
- To provide customer support
- To gather analysis or valuable information so that we can improve our service
- To monitor the usage of our service
- To detect, prevent, and address technical issues

Data Sharing and Disclosure

- **Third Parties:** We may employ third-party companies and individuals to facilitate our service (e.g., customer support, database management, etc.), to provide the service on our behalf, or to assist us in analyzing how our service is used. These third parties have access to your personal data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.
- **Legal Requirements:** Negai may disclose your data in the good faith belief that such action is necessary to:
 - Comply with a legal obligation
 - Protect and defend the rights or property of Negai
 - Prevent or investigate possible wrongdoing in connection with the service
 - Protect the personal safety of users of the service or the public
 - Protect against legal liability
