Puebla Christian Academy—Puebla, Mexico
Elementary Teacher

Puebla Christian Academy is seeking an elementary teacher to teach a combined 3rd & 4th grade class, starting in August 2027.

Overview:
Puebla Christian Academy, in Puebla, Mexico, a city of about 3 million, is seeking an elementary teacher to teach a combined 3rd and 4th grade class, starting in August 2027.

Originally a school for the children of US and Canadian missionaries, PCA now also enrolls a number of international students. Classes are taught in English. The academy enrolls an average of about 45 students from 1st through 12th grades. The academy has approximately eight full-time teachers and a comparable number of part-time teachers.

Like all our positions, this one requires you to raise your own support—or be self-supporting.

Job Description:
The elementary teacher would teach our combined 3rd & 4th grade class. This teacher will also take on routine responsibilities common to all PCA teaching staff, including attending staff meetings and chapel.

Qualifications:
Essential requirements:

- An enthusiastic, authentic and vibrant Christian faith
- A theological compatibility with PCA's Statement of Faith, with which he or she must agree and sign
- A bachelor's degree
- Fluency in written and spoken English
- A passionate commitment to K-12 education
- An ability to command the respect of all the academy's constituencies, especially the students and their parents, the teachers and staff, and the board

Preferred requirements:

- Certification as an elementary teacher
- At least 3 years' experience teaching elementary students

- Professional experience in a cross-cultural educational setting

Conversational Spanish would be an advantage.

How to Apply:
Download and complete the fillable application form and submit to the email address below.
https://pueblachristianacademy.org/open-positions/

The successful applicant will be required to serve under a mission agency or local church and raise his or her own support—or be self-supporting.
