Hey Joe

I have to say that you did very well, 1° and 2° places are very good achievements and I believe next year you will be able to rank up to 1st place in the 2 categories, that is for sure.

And I was searching on Instagram for a potential Influencer to partner with and I came across your recent youtube video about you competing in the summer shredding classic tournament.

But when I looked at your other platforms, I saw that you were doing great, especially in your TikTok.

Then I saw your website, and I think I had some ideas that could help you gain more customer value

Because it appears to me that either your email marketing is missing, and I have therefore decided to create a sequence of high-tier letters for you

This would help new customers. As it would be an excellent way for them to step into your company's world, thus increasing the overall Lifetime value of your company and immaculately busting your sales.

So if you are interested, just let me know and I'll send it over

Thank you for your time, and I look forward to hearing from you soon
