2023-2024 DISTRICT/SCHOOL REPORT CARDS SCHOOL DISTRICT ACCOUNTABILITY REPORT

As part of the state accountability system, the Department of Instruction (DPI) has produced report cards for every school district in Wisconsin. These report cards provide data on multiple indicators for four priority areas: Student Achievement, Student Growth, Target Group Outcomes, and On-track to Graduation. Viroqua's accountability reports are available at the links below.

In the most recent school performance report (2023-24) the Wisconsin Department of Education assigned the following ratings:

- | | |
|-----------------------------------|----------------------|
| • Viroqua Area School District: | Meets Expectations |
| • Viroqua Elementary School: | Meets Expectations |
| • Viroqua Middle School: | Exceeds Expectations |
| • Viroqua Area Montessori School: | Exceeds Expectations |
| • Viroqua High School: | Meets Expectations |
| • Laurel High School: | Exceeds Expectations |

Please see below for the most recent Accountability Report Cards for Viroqua Area Schools for the 2023-2024 school year.

[Viroqua Area School District](#)

[Viroqua Elementary School](#)

[Viroqua Middle School](#)

[Viroqua Area Montessori School](#)

[Viroqua High School](#)

[Laurel High School](#)

[Better Futures High School*](#)

*Due to the size of this charter school, the state of Wisconsin determined the star rating is not applicable and the school has been assigned an alternate rating - satisfactory progress.
