I am your little worry stone, please keep me close to you
So, when life gives you trouble this is what you do.
But your thumb in the middle, and in your head please say
"Be gone all my worries", then go on with your day.

I am your little worry stone, please keep me close to you
So, when life gives you trouble this is what you do.
But your thumb in the middle, and in your head please say
"Be gone all my worries", then go on with your day.

I am your little worry stone, please keep me close to you
