LEPA is the native token for the LEPASA ecosystem built on the Ethereum blockchain (bridged on Binance & Polygon). NFTs issued by Lepasa will exclusively be available against LEPA tokens, and on every swap, LEPA tokens will be burnt. Lepasa creatures are the "Fine Art 3D Game Ready NFTs". Lepasa NFTs give the owner access to the actual source file; in turn, the NFT owner has the capability to use it in the games, videos and 3D Metaverse.
