

Dear Parents,

This year, October 16 is Parent-Teacher Conference Night for K-12. Conferences will be available from 3:45 to 6:30 p.m. that evening.

On the following page, please sign up for three different times, numbering your choices 1, 2, and 3. The elementary teachers try to coordinate the times of children in the same family.

Please return this form by **September 27**, so I can prepare our conference schedule. I will send a note home the following week, so you will know your conference time.

I really look forward to seeing you at your child's conference 😊.

Thank you,  
Mrs. Miller
