You may also want to explore the repeated words, vague words, and wordiness feature under Sentence Economy if you have time. Also, are your verbs powerful? Are your nouns specific? Eliminate words like very, really, and stuff! Did you punctuate your dialogue correctly?

Answer the following questions on a **SEPARATE** piece of paper.

1. What features of the SAS Writing Reviser did you find most useful?
- 2.What are two **SPECIFIC** changes you made in your writing that made it better?
- 3.Would you consider using SAS Writing Reviser on your own? In other words, would you use it if Mrs. Karney didn't ask you to?
- 4.What have you learned about writing this week? What have you found useful?
