New to teaching ELLs? Have Beginner students? You may be surprised to learn that ELLs/MLLs in U.S. public schools speak over 400 different languages. In 2021 there were an estimated five million ELLs enrolled in US schools. Although data collection is incomplete in many states, the vast majority have seen a large increase in ELL/MLL enrollment in the last few years. Also, if you are a new ENL teacher, there are many resources here!
