

## Prep Term 4 Week 4 Remote Learning Grid

It would be great if you could correct your child's work as they complete it. This will give them immediate feedback. We will still check over it when students return to school. **Could all work be done in the exercise book provided and worksheets stuck neatly in these books before coming back to school. Many, many thanks!**

<b>Whole Group Google Meet</b>	<b>Date and Focus:</b> Thursday and Friday. P/1 A- Code is.....stp1 P/1 B- Code is .....stp3
