PURCHASING CURRICULUM BOOK(S) FOR YOUR FAMILY

We are in [Gamma Year](#) of Classically Catholic Memory. Each family will need at least one student book for kids in K-2nd grade. It is up to the discretion of each family if you would like to purchase the full set for your family or a combination of items. Each applicable classroom will contain 1 complete set.

To clarify, the options are to purchase one or a combination of the following:

- 1 complete set for the family
- 1 student text for the family (add ons are up to your family)
- 1 complete set for the family & 1 student text for each additional child in grades K-6th
- 1 student text for each child in grades K-6th grade (add ons are up to your family)

Because we know not every family is financially capable of big expenses we want each of you to feel comfortable with how much to purchase, but do keep in mind at minimum one \$35-\$43 student text is necessary.
