# Summer Camps 2022

The Rochester Summer Sports Camps are designed to give boys and girls of all levels- beginners to advanced- the opportunity to develop their individual skills under guidance and direction of the Rochester High School Coaching Staff.

The deadline to register and pay for camp is **Friday, May 13**. This deadline is important to make sure there is availability for your child in the camp and also to ensure that they receive the items (t-shirt, ball, etc) provided by the camp. The specific ages listed for each camp are according to the grade the child will enter in the fall of 2022. The cost of each camp is $50 per student. To register please visit https://gofan.co/app/school/IL15326
