II. Summaries and Announcements

Repeat for each aDC you have

Domain Coordinator:

Charity is a big part of MES. No one has stepped up offering to coordinate, so I'm going to name our charity as "stuff organizations" such as Goodwill, VA, Habitat for Humanity...places you can donate your gently used items to find a new home rather than filling dumps. Let me know if you'd like to have a role in our Domain charitable efforts...perhaps you'd like to be aDC Charity?

Anyone interested in taking up the mantle of aDC Facebook or aDC in Training?

VIII. Prestige Awards

The following prestige amounts list for current report and early are hereby awarded and/or confirmed by the DC. Please note that I have a working file tab for the months that have not yet been reported.

****Please make a spreadsheet for each calendar year, to mirror the following. All prestige should be noted on the spreadsheet.****

2021 PA-020-D DC Prestige Awards Log

****Coordinators:** Please remember that Storytellers cannot award prestige. ST's please make your recommendations to your Coordinator to include on their coordinator report. Coordinators not including their (V/D/R)ST's prestige in their report (or a note that they did not report) means that the report is incomplete.

****Awarding Domain Coordinator Prestige:** Please remember that you cannot award yourself prestige. Instead, include any recommendations for yourself to the RC in the "Recommendations to Regional" section of your monthly regional status report.

****Awarding Prestige for Spouses or Significant Others:** In addition, any prestige awards that would be for your significant other, spouse or for someone that could be considered to have a Conflict of Interest should also be listed in the "Recommendations to Regional" section of your report. This will help to ensure that no one questions such awards.

If you have any prestige recommendations you believe to be missing from the report, please send an email listing with the following template filled in (for ease of transferring data) to *insert DC Email*.

PA-020-D DOMAIN COORDINATOR REPORT – June 2021

Hello All,

I am restarting the East Central Regional Recruitment Drive that was run in years before.

This is an opportunity for EVERYONE to earn Regional Prestige just for bringing in new faces to this hobby we share.

Here's how this is going to work.

- 1) Recruit a new member and get them a Trial Membership number
- 2) Get them to come play a game.
- 3) For each month that the new recruit attends at least one MES game (whether your Domain or another), both the 'recruiter' and the 'new recruit' will receive *10* Regional Prestige. This will apply for each of the first 6 months of their Trial Membership. This award applies whether the 'Recruiter' attends a game or not, it's based on the attendance of the 'new recruit'.
- 4) Additionally, there will be a survey established for the new member to take. Filling that out will be worth another 20 Regional Prestige.

Now the fine print.

First, I need to stress that Domain Coordinators work with their DST and membership to determine what is best for their domain in terms of hosting live games. Please keep in mind local, state, and CDC guidelines in terms of number of attendees and space issues. Remember

PA-020-D DOMAIN COORDINATOR REPORT – June 2021

that the Handbook recommends offering prestige for setting up and tearing down game sites and donating supplies to games. Part of this could be cleaning and sanitizing game sites and donations of sanitizer, cleaning supplies, and masks.

Second, awards are Regional, so you tell your DC, they refer it up to me, I award the prestige in my monthly RC Report. In the process, the DC is verifying that the new recruit did in fact attend the game that month. If the new recruit attended a neighboring Domain's event instead, the new recruit's DC should verify their attendance and put it on their report.

Third, while there's no limit on how many new members you can recruit, and while each new recruit can earn this prestige, I am going to limit the 'recruiter' to getting credit for only one person at a time. As this policy will go on for the entirety of this year, it is possible to get credit for recruiting multiple people, but the idea here is to share the credit around a little bit.

Lastly, this program will be backdated to the beginning of 2021.

Domain Coordinators: If you're not yet playing live games, but new members play virtually I accept this as game attendance as well.

In reporting this award, please follow the examples below. It should go in the 'Recommendations to Regional' section of your report. In this example, I recruited Tyrion Lannister to join the MES...

Leah Lee US2016030036 (Date is date of game attended) (Social/Non-game Support)
(Description is RECRUITER of New Member Name/MES#/Month 1) (Award is 10R)

Tyrion Lannister US2018040022 (Date is date of game attended) (Category is Social/Non-game Support) (Description is RECRUIT New Member Name/MES#/Month 1) (Award is 10R)

If you have any questions let me know! As a reminder I have office hours on Discord in the EC Regional server the first and third Wednesdays of the month from 6-8 so you can also get me then!

Happy Gaming,

Leah Lee
